MEDIA RELEASE 14 OCTOBER 2016 –

SHIRE OF WONGAN-BALLIDU WELCOMES NEW POOL MANAGER

The Shire of Wongan Ballidu are excited to announce the appointment of Ms Sandra Ciabarri to the position of Pool Manager. Sandra will commence employment with the Shire on the 24 October 2016.

***"When is the Pool opening*?"**
To answer the question on everyone's mind:
The Shire of Wongan-Ballidu anticipates the Wongan Hills Swimming Pool will open to the general public on Monday 31 October 2016. This date is to be confirmed, and is on the proviso that the last water test for the Toddler Pools meets the Department of Health Water Quality requirements.

Ticket Books and Season Passes will be available from the Shire Administration Offices from Wednesday 19 October 2016.

In the interim, the Shire has allowed the use of the 50m Lap Pool by the Wongan Hills Swimming Club as some of the members within the Club hold the required qualifications to supervise the Swimming Club's activity without the need of the Pool Manager.

This is only a short term, interim arrangement until 1) the Toddler Pool meets the Department of Health Water Quality Requirements, and 2) the commencement of the new Pool Manager.

If you have any enquiries, please direct them to the Shire on 08 9671 1011, or via email shire@wongan.wa.gov.au
