Item 5. DEPUTATIONS / PRESENTATIONS / SUBMISSIONS / PETITIONS

5.1 MS DAWN VAUGHAN – BALLIDU HERITAGE CENTRE MURAL

Ms Vaughan presented a letter requesting permission to have a mural painted on the front side of the café wall. To be completed by Phil Dawson.

They wish to involve; Bike It, CBH and other locals and for it to include images such as sheep and wheat. They have put up a notice locally requesting input from others.

Cr Stephenson advised that the request would be discussed during today's Council Forum when the PCYC mural was also scheduled to be discussed.

5.2 MR PHIL DAWSON – WONGAN HILLS PCYC MURAL

Mr Phil Dawson gave a brief overview of his proposal to paint a mural on the PCYC wall. He stated it is to be treated as a new mural over the existing, as per information provided. The tin painting on wall is to be removed and could possibly be used by another group in town. The lettering on the wall is to be painted white so it doesn't blend in.

Cr Coad commended the idea.

Cr Boekman enquired about the wording of the writing within the mural and if that could be looked at.

Cr Starcevich asked when it would be done.

Mr Dawson advised it could be completed by April if Council approved tonight, or as late as June

Mr Dawson was advised that the request would be discussed during today's Council Forum.

Ms Vaughan and Mr Dawson left the meeting at 3:17pm

9.1.2 DELEGATED AUTHORITY TO CEO TO SELL SHIRE DEVELOPED LOT 715 SHIELDS CRESCENT, WONGAN HILLS

FILE REFERENCE: A1.1.6

REPORT DATE: 20 February 2024

APPLICANT/PROPONENT: N/A
OFFICER DISCLOSURE OF INTEREST: Nil
PREVIOUS MEETING REFERENCES: Nil

AUTHOR: Stuart Taylor - Chief Executive Officer

ATTACHMENTS: Ni

PURPOSE OF REPORT:

To delegate authority to the CEO to negotiate with potential buyers in regard to the sale of Lot 715 Shields Crescent, Wongan Hills in accordance with Councils' parameters and Sections 5.42 and 5.43 of the *Local Government Act 1995*.

BACKGROUND:

Council has developed residential blocks at Shields Crescent to encourage residential development within the Wongan Hills town site. The stage 1 developments are now complete.

COMMENT:

In June of 2022, the Shire underwent a land buildings valuation which comprised of the Shield Crescent vacant lots. That valuation has valued Lot 715 Shields Crescent as having a fair valuation (market value) of \$40,000. However, it has been marketed via the Shires website at a price of \$35,000.

An offer was received by email 4 January 2024 and confirmed on 19 February 2024 for \$27,000. This is the only offer received to date.

 - * Absolute majority required.

(2) A delegation under this section is to be in writing and may be general or as otherwise provided in the instrument of delegation.

[Section 5.42 amended by No. 1 of 1998 s. 13.]

5.43. LIMITS ON DELEGATIONS TO CEO'S

A local government cannot delegate to a CEO any of the following powers or duties: -

- (a) any power or duty that requires a decision of an absolute majority or a 75% majority of the local government;
- (b) accepting a tender which exceeds an amount determined by the local government for the purpose of this paragraph;
- (c) appointing an auditor;
- (d) acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph;
- (e) any of the local government's powers under section 5.98, 5.98A, 5.99, 5.99A or 5.100;
- (f) borrowing money on behalf of the local government;
- (g) hearing or determining an objection of a kind referred to in section 9.5;
- (h) any power or duty that requires the approval of the Minister or the Governor; or
- (i) such other powers or duties as may be prescribed.

 - (a) the payee's name; and
 - (b) the amount of the payment; and
 - (c) the date of the payment; and
 - (d) sufficient information to identify the transaction.
- (2) A list of accounts for approval to be paid is to be prepared each month showing
 - (a) for each account which requires council authorisation in that month
 - (i) the payee's name; and
 - (ii) the amount of the payment; and
 - (iii) sufficient information to identify the transaction; and
 - (b) the date of the meeting of the council to which the list is to be presented.
- (3) A list prepared under subregulation (1) or (2) is to be
 - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
 - (b) recorded in the minutes of that meeting.

Regulation 13A - Payments by employees via purchasing cards

- (1) If a local government has authorised an employee to use a credit, debit or other purchasing card, a list of payments made using the card must be prepared each month showing the following for each payment made since the last such list was prepared
 - (a) the payee's name;
 - (b) the amount of the payment;
 - (c) the date of the payment;
 - (d) sufficient information to identify the payment.

- (2) A list prepared under sub regulation (1) must be
 - (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and
 - (b) recorded in the minutes of that meeting.

STRATEGIC IMPLICATIONS:

ATTACHMENTS: 9.2.2 Financial Reports 9.2.3 Financial Health Check

PURPOSE OF REPORT:

The purpose of this report is to present to Council the Monthly Financial Report (containing the Statement of Financial Activity by Nature) for the month ended 31 December 2023. The Capital Works report has been incorporated into this. A monthly financial health check has been appended to the report to give an overview of how the Shire is tracking against some key financial indicators.

BACKGROUND:

Under section 6.4(1) of the *Local Government Act 1995*, a local government is required to prepare an annual financial report for the proceeding financial year and such other financial reports as are prescribed. Part 4 of the *Local Government (Financial Management) Regulations 1996* prescribes the minimum contents of the Monthly Financial Report.

Below is the prescribed contents of the Monthly Financial Report.

Regulation 34 - Statement of Financial Activity

- (1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for the previous month (relevant month) in the following detail:
 - (a) annual budget estimates; and
 - (b) budget estimates to the end of the relevant month (YTD Budget); and
 - (c) actual amounts of expenditure, revenue and income to the end of the relevant month (YTD Actual); and
 - (d) material variances between the comparable amounts (YTD Actual YTD Budget); and
 - (e) the net current assets at the end of the relevant month and a note containing a summary explaining the composition of net current assets.

- (2) Each statement of financial activity is to be accompanied by documents containing
 - (a) (removed)
 - (b) an explanation of each of the material variances referred to in subregulation (1)(d); and
 - (c) such other supporting information as is considered relevant by the local government.
- (3) The information in a statement of financial activity must be shown according to nature classification.
- (4) A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be
 - (a) Presented at an ordinary meeting of the council within 2 months after the end of the relevant month; and
 - (b) Recorded in the minutes of the meeting at which it is presented.
- (5) Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

Regulation 35 - Statement of Financial Position

- (1) A local government must prepare each month a statement of financial position showing the financial position of the local government as at the last day of the previous month (the **previous month**) and
 - (a) The financial position of the local government as at the last day of the previous financial year; or
 - (b) If the previous month is June, the financial position of the local government as at the last day of the financial year before the previous financial year.
- (2) A statement of financial position must be
 - (a) Presented at an ordinary meeting of the council within 2 months after the end of the previous month; and
 - (b) Recorded in the minutes of the meeting at which it is presented.

POLICY REQUIREMENTS:

There are no known economic impacts associated with this proposal.

Socia

There are no known social implications associated with this proposal.

FINANCIAL IMPLICATIONS:

Material variances are disclosed in the Statement of Financial Activity.

As part of the adopted 2023/24 Budget, Council adopted the following thresholds as levels of material variances for financial reporting.

In accordance with regulation 34 (5) of the Local Government (Financial Management) Regulations 1996, and AASB 1031 Materiality, the level to be used in statements of financial activity in 2023/24 for reporting material variances shall be:

- (a) 10% of the amended budget; or
- (b) \$10,000 of the amended budget.

whichever is greater. In addition, that the material variance limit be applied to total revenue and expenditure for each nature classification and capital income and expenditure in the Statement of Financial Activity.

The financial reports for the period ending 31 December 2023 are attached to the Council Agenda.

COMMENT:

This report presents the Statement of Financial Activity by nature or type for the period ended 31 December 2023.

The following is a summary of the headline numbers from the attached report, and explanations for variances is provided in note 1 of the report.

Rates

Rates notices were issued with an effective issuance date of 7 August 2023. As at 31 December 2023, the Shire had receipted \$3,413,476 in rates, ESL and rubbish charges. Due date for payment in full, or first instalment was 11 September 2023. As at 31 December 2023, the gross amount of rates, ESL and rubbish charges outstanding (including arrears, legal charges and interest) is **\$424,300** and of this amount \$37,346 is made up of deferred pensioner rates. Total outstanding equates to 11.14% of the brought forward arrears and current year billing.

Final notices were issued on 18 September, giving ratepayers 14 days to pay any amount outstanding if they were not paying by instalments. Any ratepayers who still had not made payment were issued with a final demand on 13 October, with payment terms of 7 days. On the 25th of October any unpaid accounts were sent to the Shire's external debt recovery agent. The total amount owing that is being recovered through the agent as at 31 December 2023 is \$22,890.

Capital Works

As at 31 December 2023 the Shire has incurred \$2,655,263 in actual expenditure on capital works projects against a current budget of \$8,841,858 representing 30.03% of the budgeted works.

Depreciation

There is a significant increase in the annual depreciation expense due to the revaluation of infrastructure assets at 30 June 2023. The fair value of roads increased by 194% and the depreciation rates increased by approximately 500%. The fair value of drainage assets increased by 165% and depreciation rates increased by approximately 145%. Depreciation is a non-cash expense, meaning there is no impact on the Shire's funding position.

Other

Attention is drawn to the actual opening surplus figure for 1 July 2023 of \$2,744,736 against the budgeted opening surplus of \$2,713,397. This is an increase in the budgeted opening surplus of \$31,339. This actual opening surplus has been audited and will be amended as part of the budget review.

Variance Report 31 December 2023

The Local Government (Financial Management) Regulations 1996 require that financial statements are presented monthly to council. Council has adopted 10% as its threshold for line items on the Statement of Financial Activity by nature shown on page 1. This report uses a traffic light system to flag those items that are within tolerance and others that fall out of the range. Variances are calculated using a comparison of year to date actual against year to date budget. It needs also to be noted that the early months of the financial year are a period when variance percentages are volatile and extremely sensitive to small movements in actual income and expenditure.

Code	Variance Actual to YTD Budget	Variance reason	Report Section	Comments
			Operating Incor	ne
1	10,423	Within Threshold	Rates	Within Council variance reporting threshold.
×	53,200	Timing	Operating grants, subsidies and contributions	Favourable - Timing of receipt of grant monies.
×	(56,324)	Timing	Fees and charges	Unfavourable - Timing variance for various fees and charges (standpipe charges are the main variance which offset standpipe water usage expenditure, meaning the expenditure is also less).
×	30,335	Timing	Other Revenue	Favourable - Timing
×	56,075	Timing	Interest	Favourable - Interest earned is higher than estimated. Will be addressed at budget review
1	0	Within Threshold	Profit on Asset Disposals	Within Council variance reporting threshold.
			Operating Expend	iture
×	143,453	Timing	Employee Costs	Favourable - Due to vacancies
1	(33,164)	Within Threshold	Materials & Contracts	Within Council variance reporting threshold.
×	52,237	Timing	Utility charges	Favourable - Timing of utility payments are not always precise to the monthly budget allocations.
✓	620	Within Threshold	Interest	Within Council variance reporting threshold.

How are we tracking against our budgeted targets?

Adjusted Operating Surplus

A measure of the Shire's ability to cover its operational costs including depreciation and have funds left over to cover capital expenditure (including principal loan repayments) without relying on debt or reserves.

Adjusted operating surplus and self-sufficient ratios are high in the earlier part of the year due to rates being
fully billed in August. However, as the year progresses, operating expenditure will continue to draw on this
revenue source reducing to target by 30 June 2024.

Asset Sustainability Ratio

Measures if the Shire is replacing or renewing existing non-financial assets at the same rate that its overall asset stock is wearing out.

Due to infrastructure revaluation, roads and drainage fair values have increased significantly as well as depreciation rates.

9.3.3 Financial Health Check

PURPOSE OF REPORT:

The purpose of this report is to present to Council the Monthly Financial Report (containing the Statement of Financial Activity by Nature) for the month ended 31 January 2024. The Capital Works report has been incorporated into this. A monthly financial health check has been appended to the report to give an overview of how the Shire is tracking against some key financial indicators.

BACKGROUND:

Under section 6.4(1) of the *Local Government Act 1995*, a local government is required to prepare an annual financial report for the proceeding financial year and such other financial reports as are prescribed. Part 4 of the *Local Government (Financial Management) Regulations 1996* prescribes the minimum contents of the Monthly Financial Report.

Below is the prescribed contents of the Monthly Financial Report.

Regulation 34 - Statement of Financial Activity

- (6) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for the previous month (relevant month) in the following detail:
 - (f) annual budget estimates; and
 - (g) budget estimates to the end of the relevant month (YTD Budget); and
 - (h) actual amounts of expenditure, revenue and income to the end of the relevant month (YTD Actual); and
 - (i) material variances between the comparable amounts (YTD Actual YTD Budget); and
 - the net current assets at the end of the relevant month and a note containing a summary explaining the composition of net current assets.

- (7) Each statement of financial activity is to be accompanied by documents containing-
 - (d) (removed)
 - (e) an explanation of each of the material variances referred to in subregulation (1)(d); and
 - (f) such other supporting information as is considered relevant by the local government.
- (8) The information in a statement of financial activity must be shown according to nature classification.
- (9) A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be
 - (a) Presented at an ordinary meeting of the council within 2 months after the end of the relevant month; and
 - (b) Recorded in the minutes of the meeting at which it is presented.
- (10) Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

Regulation 35 – Statement of Financial Position

- (3) A local government must prepare each month a statement of financial position showing the financial position of the local government as at the last day of the previous month (the **previous month**) and
 - (a) The financial position of the local government as at the last day of the previous financial year; or
 - (b) If the previous month is June, the financial position of the local government as at the last day of the financial year before the previous financial year.
- (4) A statement of financial position must be
 - (a) Presented at an ordinary meeting of the council within 2 months after the end of the previous month; and
 - (b) Recorded in the minutes of the meeting at which it is presented.

POLICY REQUIREMENTS:

LEGISLATIVE REQUIREMENTS:

- Local Government Act 1995
- Local Government (Financial Management) Regulations 1996

STRATEGIC IMPLICATIONS:

There are no Strategic Implications relating to this item.

SUSTAINABILITY IMPLICATIONS:

Environment

There are no known environmental impacts associated with this proposal.

Economic

There are no known economic impacts associated with this proposal.

Social

There are no known social implications associated with this proposal.

FINANCIAL IMPLICATIONS:

Material variances are disclosed in the Statement of Financial Activity.

As part of the adopted 2023/24 Budget, Council adopted the following thresholds as levels of material variances for financial reporting.

In accordance with regulation 34 (5) of the Local Government (Financial Management) Regulations 1996, and AASB 1031 Materiality, the level to be used in statements of financial activity in 2023/24 for reporting material variances shall be:

- (a) 10% of the amended budget; or
- (b) \$10,000 of the amended budget.

whichever is greater. In addition, that the material variance limit be applied to total revenue and expenditure for each nature classification and capital income and expenditure in the Statement of Financial Activity.

The financial reports for the period ending 31 January 2024 are attached to the Council Agenda.

COMMENT:

This report presents the Statement of Financial Activity by nature or type for the period ended 31 January 2024.

The following is a summary of the headline numbers from the attached report, and explanations for variances is provided in note 1 of the report.

Rates

Rates notices were issued with an effective issuance date of 7 August 2023. As at 31 January 2024, the Shire had receipted \$3,508,246 in rates, ESL and rubbish charges. Due date for payment in full, or first instalment was 11 September 2023. As at 31 January 2024, the gross amount of rates, ESL and rubbish charges outstanding (including arrears, legal charges and interest) is \$331,867 and of this amount \$37,346 is made up of deferred pensioner rates. Total outstanding equates to 8.71% of the brought forward arrears and current year billing.

Final notices were issued on 18 September, giving ratepayers 14 days to pay any amount outstanding if they were not paying by instalments. Any ratepayers who still had not made payment were issued with a final demand on 13 October, with payment terms of 7 days. On the 25th of October any unpaid accounts were sent to the Shire's external debt recovery agent. The total amount owing that is being recovered through the agent as at 31 January 2024 is \$17,565.

Capital Works

As at 31 January 2024 the Shire has incurred \$2,736,402 in actual expenditure on capital works projects against a current budget of \$8,841,858 representing 30.95% of the budgeted works.

Depreciation

There is a significant increase in the annual depreciation expense due to the revaluation of infrastructure assets at 30 June 2023. The fair value of roads increased by 194% and the depreciation rates increased by approximately 500%. The fair value of drainage assets increased by 165% and depreciation rates increased by approximately 145%. Depreciation is a non-cash expense, meaning there is no impact on the Shire's funding position.

Other

Attention is drawn to the actual opening surplus figure for 1 July 2023 of \$2,744,736 against the budgeted opening surplus of \$2,713,397. This is an increase in the budgeted opening surplus of

\$31,339. This actual opening surplus has been audited and will be amended as part of the budget review.

Shire of Wongan-Ballidu Variance Report 31 January 2024

The Local Government (Financial Management) Regulations 1996 require that financial statements are presented monthly to council. Council has adopted 10% as its threshold for line items on the Statement of Financial Activity by nature shown on page 1. This report uses a traffic light system to flag those items that are within tolerance and others that fall out of the range. Variances are calculated using a comparison of year to date exclusal against year to date budget. It needs also to be noted that the early months of the financial year are a period when variance percentages are volatile and extremely sensitive to small movements in actual income and expenditure.

Code	Variance Actual to YTD Budget	Variance reason	Report Section	Comments			
Operating Income							
1	10,423	Within Threshold	Rates	Within Council variance reporting threshold.			
~	29,300	Within Threshold	Operating grants, subsidies and contributions	Favourable - Timing of receipt of grant monies.			
×	(77,536)	Timing	Fees and charges	Unfavourable - Timing variance for various fees and charges (standpipe charges are the main variance which offset standpipe water usage expenditure, meaning the expenditure is also less).			
×	25,951	Timing	Other Revenue	Favourable - Timing			
×	64,280	Timing	Interest	Favourable - Interest earned is higher than estimated. Will be addressed at budget review.			
✓	0	Within Threshold	Profit on Asset Disposals	Within Council variance reporting threshold.			
	Operating Expenditure						
1	153,048	Within Threshold	Employee Costs	Favourable - Due to vacancies			
1	(20,769)	Within Threshold	Materials & Contracts	Within Council variance reporting threshold.			
×	38,496	Timing	Utility charges	Favourable - Timing of utility payments are not always precise to the monthly budget allocations.			
1	620	Within Threshold	Interest	Within Council variance reporting threshold.			
1	(12,528)	Within Threshold	Insurance	Within Council variance reporting threshold.			
✓	(4,378)	Within Threshold	Other General	Within Council variance reporting threshold.			
/	0	Within Threshold	Loss on Asset Disposals	Within Council variance reporting threshold.			
×	(2,856,570)	Permanent	Depreciation	Annual depreciation has increased from \$3.63m to \$8.54m due to the infrastructure revaluation at 30 June 2023. The fair value of roads increased by 194% and depreciation rate increased by circa 500%.

How are we tracking against our budgeted targets?

Adjusted Operating Surplus

A measure of the Shire's ability to cover its operational costs including depreciation and have funds left over to cover capital expenditure (including principal loan repayments) without relying on debt or reserves.

Adjusted operating surplus and self-sufficient ratios are high in the earlier part of the year due to rates being
fully billed in August. However, as the year progresses, operating expenditure will continue to draw on this
revenue source reducing to target by 30 June 2024.

Asset Sustainability Ratio

Measures if the Shire is replacing or renewing existing non-financial assets at the same rate that its overall asset stock is wearing out.

• Due to infrastructure revaluation, roads and drainage fair values have increased significantly as well as depreciation rates.

PURPOSE OF REPORT:

The purpose of this report is to present the Shire's updated Recordkeeping Policy to Council for adoption.

BACKGROUND:

The Shire's Recordkeeping Plan (RKP) is due for review and submission to the State Records Office of Western Australia (SRO). The Shire engaged a consultant to review and update the Shire's Recordkeeping Plan, as per section 28 of the *State Records Act 2000*. As part of updating the Recordkeeping Plan, there is a requirement to review and update the Recordkeeping Policy and have the minutes of the adoption of the updated Policy provided to SRO along with the updated RKP.

COMMENT:

The updated Recordkeeping Policy is attached. As the Shire has undergone significant changes to its Electronic Document and Records Management System (EDRMS), the Policy has been completely overhauled. The Shire's new EDRMS is held in Microsoft SharePoint, which is a cloud-based solution for recordkeeping management. The new EDRMS ensures full compliance with the *State Records Act 2000* and this includes compliance with the General Retention and Disposal Authority for Local Government Information 2023-005.

It is important to note that this Policy applies to both administrative staff and elected members.

Policy Owner	Administration
Person Responsible	Deputy Chief Executive Officer
Date of Adoption	23 February 2022
Date of Last Review	28 February 2024

OBJECTIVE

Good documents and records support effective business practice and improves organisational accountability and efficiency. As such, documents and records are a vital organisational asset and a cornerstone of the Shire of Wongan Ballidu's (the Shire) governance.

The Shire has a legislative obligation, under the *State Records Act 2000* (the Act) to create, capture, retain and manage documents and records that support the Shire's business functions, corporate decisions and activities.

This policy sets out the requirements, roles, and responsibilities to ensure:

- The electronic documents and records management system (EDRMS) is the mandated records system.
- Official documents and records are captured into the EDRMS or line-of-business systems.
- Access and dissemination are appropriate.
- Information integrity is maintained.
- Vital documents and records are identified and managed in accordance with relevant legislation to ensure business continuity.
- Unauthorised tampering or destruction of documents and records is an offence under the Act and severe penalties may be applied for a breach of the Act.

This policy will support the Shire in meeting its strategic plan directions and priorities and adapt to changing business environments and promote efficiencies.

The policy reflects the legislated document and records management requirements under the *State Records Act 2000*, *Local Government Act 1995*, and *Freedom of Information Act 1992*.

SCOPE

The Shire will ensure that corporate documents and records are created, captured, retained, and managed in accordance with legislative and operational requirements; and are authentic, reliable, useable, and capable of supporting business functions and activities for as long as they are required.

This policy applies to the official corporate documents and records of the Shire.

This policy applies to all corporate information, records, and data regardless of media and format (including but not limited to hard copy documents, electronic documents or file, email, handwritten notes, digital data, and multimedia) received or created in the conduct of Shire business.

This policy applies to all business applications used to create, manage, and store information (records management systems, databases, line-of-business systems, email, websites, social media, and messaging applications) managed in-house and offsite.

ROLES AND RESPONSIBILITIES

All Shire employees, elected members, contractors, consultants, and providers of outsourced services are responsible and accountable for creating, capturing, and managing Shire documents and records related to their work activities in accordance with this policy and supporting procedures.

The extent of those responsibilities will vary according to individual roles.

Role	Responsibilities
Chief Executive Officer	Ensure the effective implementation of this policy directive within the offices of the Shire.
Managers (Includes Deputy Chief Executive Officer)	Implement this policy directive in their areas of responsibility. Ensure that official documents and records will only be altered, deleted, archived, stored, and destroyed in a manner compliant with this policy, the Act and best practice principles. Ensure employees within their area of responsibility comply with digitisation requirements in accordance with this policy and its supporting procedures. Routinely monitor business rules, procedures, and devices to ensure
	the integrity of digitised electronic record versions and compliance with this policy; and taking corrective action accordingly.
Deputy Chief Executive Officer	Manage the policy (including feedback, review, document and records management requirements, update policy versions and removal of revoked policy).
	Provide policy direction and assistance, including interpreting policy requirements.
	Manage the design, configuration, implementation, and maintenance of the EDRMS.
	Ensure that archiving, storage, and destruction of records complies with this Policy, the Act and best practice principles.

Role	Responsibilities
	Responsible for ensuring document and records management roles, responsibilities and capabilities are incorporated into role descriptions, performance agreements, legal agreements, and employment and outsourcing contracts.
	Assign resources to develop, implement, communicate, train, monitor and oversee digitisation business rules or procedures.
Employees, elected members, contactors, consultants, and providers of outsourced services	Comply with this policy when performing their duties.

POLICY

CREATION

Documents and records are created as part of day-to-day business activities of the Shire. The purpose of the record is to document evidence of business transactions, to comply with legal requirements, to record decisions made and actions taken and to maintain a record of communications sent or received.

Documents and records need to be complete, suitable, and meaningful to the purpose for which they are created and kept.

Content to be published on the Shire of Wongan Ballidu website and Facebook page will be created and approved (where required by the Chief Executive Officer) in a document external to the platform before publication.

CAPTURE

Every document or record relating to Shire business activities and transactions that is received, created, or held in any form (voice recordings, physical or electronic) will be registered into the EDRMS unless an exemption is in place. Exemptions may be sort from the Deputy Chief Executive Officer.

All documents and records must be accessible and unencrypted (i.e., not password or copy protected or converted into a code that would prevent access), as soon as practicable after the event. This includes business emails, attachments, calendar/diary appointments, tasks and notes relating to Shire business activity which are received, created, sent, or held in an email messaging system.

The Shire's website and Facebook content, including the approval to post (where required by the Chief Executive Officer), must be captured to the EDRMS before it is uploaded. In addition, all documents published on the Shire's Facebook page or website must be copies, and the original documents must be saved to the Shire's EDRMS.

VALIDATION

Shire documents and records created, received, or held will be capable of being validated as accurate, complete, and reliable. An audit trail will be maintained to track and verify all changes to, and activities performed on Shire documents and records.

OWNERSHIP AND INTELLECTUAL PROPERTY

Documents and records created or received by employees, elected members, contractors, consultants, and providers of outsourced services during the conduct of Shire business activities will be managed as information assets owned by the Shire (except where otherwise agreed in contracts or copyright agreements).

CLASSIFICATION AND NAMING CONVENTIONS

The Shire has adopted a pragmatic approach to naming records. The information architecture imposed in the EDRMS solution supports efficient and effective records use supporting quick, easy retrieval of information assets to support accurate, timely reporting.

METADATA

Documents and records created, received, or held in the Shire's EDRMS will contain appropriate recordkeeping metadata describing their context, content, and structure in accordance with the State Records Commission Standard 8. This metadata will facilitate and control the creation, capture, identification, classification, access, security, storage, preservation, retention and disposal of documents and records.

ACCESS CONTROLS AND SECURITY

Shire access controls and security are applied to documents and records at the time of creation, receipt and capture. This is to ensure that they - and any related confidential, private, sensitive, or intellectual property information - are protected from inappropriate access, usage, disclosure, or alteration. Multifactor authentication on all environments is in place to prevent unauthorised access.

The controls and protocols applied will also need to comply with legally enforceable rights of access to information embodied in the *Freedom of Information Act 1992* to support openness and accountability.

Public access rights determinations will also be made when archival documents and records are transferred to State Records of WA or approved records storage providers for storage or permanent archiving in accordance with the State Records Commission Standard 7.

STORAGE, LOCATION, AND SPACE MANAGEMENT

Documents and records will be stored in an unencrypted, open and enduring format in the EDRMS, on appropriate media or in managed storage locations that ensure their preservation, security, accessibility, and integrity over time.

This policy outlines seven principles to be considered when storing physical records in a facility under the direct control of the Shire or by a third-party:

- Location: sites, facilities and areas for records storage should be located away from known hazards and be convenient to user needs.
- Environmental control: records should be stored in environmental conditions that are appropriate to their format and retention period.
- Shelving and packaging: the shelving, equipment and containers for records storage should ensure that records are secure, accessible, and protected from deterioration.
- Maintenance and security: records storage facilities, areas and records should be maintained to safeguard their security, condition, and accessibility.
- Protection from disaster: disaster management programs should be established and maintained to ensure that risks to records are minimised and managed appropriately.
- Careful handling: the retrieval and use of records in storage areas should be subject to controls that prevent damage and deterioration.
- Accessibility: records should be stored and controlled in facilities where they can be identified, located, and retrieved easily.

RETENTION, DISPOSAL, AND DESTRUCTION

Documents and records will be systematically retained, stored, and archived for at least the minimum length of time stipulated by the relevant current records disposal authority approved by the State Records Office of Western Australia.

Documents and records will only be altered, destroyed, or deleted in accordance with the provisions of the Act. Sentencing of records must be actioned by a trained records officer and disposal of records must be authorised by Executive management before disposal takes place.

Records subject to a Freedom of Information request, legal action or State Records disposal freeze must not be destroyed even if the minimum retention period has been reached.

DIGITISATION

Physical documents converted to digitised electronic record versions will be:

- digitised via a multi-function device or document scanner connected to the Shire network which meets Shire minimum digitisation specification requirements; and
- managed and disposed of in accordance with the State Records Office Guideline Records Retention and Disposal Instructions and General Disposal Authority for Source Records (RD 2016002).
- Digitised electronic record versions of source physical documents will be captured, managed, archived, and disposed of within the EDRMS as electronic records in accordance with this policy, and the minimum length of time stipulated by the relevant current disposal authority approved by the State Records Office.

SEARCH AND RETRIEVAL

Documents and records will be created, captured, named, classified, appropriately secured, version controlled and managed in the EDRMS to enable them to be quickly and easily searched and retrieved, via EDRMS search and retrieval tools, to improve business processes and service delivery unless an exemption is approved.

This includes tracking the movement, transfer and current location of all documents and records in the EDRMS, including those stored offsite, at State Records of WA and at approved temporary records storage providers.

VITAL RECORDS AND RECORDS DISASTER MANAGEMENT PLAN

Vital documents and records created, received, or held will be identified, managed, and protected by the development and implementation of a vital records plan.

Business continuity plans for electronic and physical documents and records will also be developed, regularly tested, and implemented in the event of a disaster to minimise the loss of Shire information assets and ensure business continuity.

DESIGN OF BUSINESS INFORMATION SYSTEMS.

Document and records management requirements and controls documented in this policy and State Records Commission Standards will be considered and built into the specifications, design, development, modification, upgrade, documentation, and implementation of all new or modified business systems and information and communication technology (ICT) processes relating to documents, records, and information assets.

Document and records management processes related to the design of business systems and ICT processes will include the analysis of business activities, assessments of existing systems and business processes, identification of recordkeeping and metadata standard requirements and controls, migration strategies, and requirements for integration with the EDRMS.

All new line of business systems will consider the State Records Commission Standards and Guidelines, and the Act.

CONTRACTING AND RECORDS MANAGEMENT REQUIREMENTS.

Where contractors or external service providers are engaged by the Shire, the Shire's Records Management Policy requirements, roles and responsibilities will be addressed in the contract or agreement provided to engage the service.

INDUCTION AND TRAINING.

All new employees and elected members are required to complete records management training. Records handling training will be completed by all users as appropriate to their role and responsibilities. A record of training completed must be retained.

Shire managers are required to provide access to records management training to employees, contractors, consultants, and elected members appropriate to their role in document and records management responsibilities.

DEFINITIONS

In the context of this document:

A document or record means:

- written, graphic or pictorial matter; or a disk, tape, film, or other object that contains
 information or from which information may be reproduced (with or without the aid of
 another object or device).
- information in any format, both analogue and digital (including paper, micro-form, audio-visual, graphic and electronic media).
- Documents are created by planning what needs to be done.
- Records are created when something is done.
- An official document or record means: a document or record made or received by the Shire
 in the conduct of its business, including drafts of final versions or materials with a
 continuing reference value.
- Documents and records that are not considered to be official include documents or records received that were intended for another recipient agency or individual.
- Vital documents and records mean documents or records in any format that contain information essential to the survival of an organisation.

(Confidential)

PURPOSE OF REPORT:

The purpose of this report is to advise Council on the evaluation of the submissions received for the Shire's Managed ICT Services Request which was conducted via the WALGA Preferred Supplier Program (PSP). Council is to resolve on the award of the contract.

BACKGROUND:

The Shire published a request through the WALGA PSP on Monday 11 December 2023, with a closing date for submissions to be received by no later than Friday 19th January 2024. The Shire's Managed ICT Services contract expired on 31 December 2023. A formal agreement was entered into with the incumbent provider to extend the provision of services until such time that the procurement process has been finalised for a new contract to be entered into.

The Shire utilised the WALGA Preferred Supplier Program to undertake the procurement process, which provides the local government with an exemption from public tender under Regulation 11(2)(b) of the *Local Government (Functions and General) Regulations* 1996. The WALGA PSP ensures that the Shire will receive best value for money and provides additional confidence in suppliers as necessary due diligence and ongoing risk monitoring is conducted through the panels.

POLICY REQUIREMENTS:

Council Policy 4.8 – Purchasing and Procurement

LEGISLATIVE REQUIREMENTS:

- Local Government Act 1995
- Local Government (Function and General) Regulations 1996

STRATEGIC IMPLICATIONS:

There are no Strategic Implications relating to this item.

SUSTAINABILITY IMPLICATIONS:

Environment

There are no known environmental impacts associated with this proposal.

Economic

There are no known economic impacts associated with this proposal.

Social

There are no known social implications associated with this proposal.

FINANCIAL IMPLICATIONS:

In this procurement process, the Shire adopted a best value for money approach. This means that although price is considered, the response containing the lowest price will not necessarily be accepted, nor will the response ranked the highest on the qualitative criteria evaluation matrix.

The Shire's 2023/24 Budget included a recurrent amount of \$60,000 (includes \$10,000 for overage charges on hours above agreed hours) for Managed ICT Services. In addition to this, there was a budget allocation of \$10,000 for cyber security initiatives. The contract price will be very similar, and thus will not pose a material impact on the Shire's Budget. Any variance can be determined, and a budget amendment presented to Council as part of the mid-year budget review.

COMMENT:

A detailed assessment was completed of all submissions and an evaluation matrix was used to determine qualitative scores and rankings and price comparisons.

The following is a summary of both the qualitative scores and indicative pricing and rankings upon completion of the assessments. The qualitative scores are weighted and scored out of 5, with 5 being the highest possible score.

Organisation	Total Qualitative Score	Qualitative Ranking	Total indicative recurrent pricing (3 years ex. GST)	Total non- recurrent pricing (ex. GST)	Quantitative Ranking

DETAILED ASSESSMENT (CONFIDENTIAL)

Refer to attachment 1 for the detail assessment report, please note that this is a confidential item.

SERVERS

The Shire's servers have been fully migrated to the cloud, however there is still a requirement for servers to be patched and updated until the transition to the new ERP is completed. It is envisaged this will be done by no later than 30 June 2025. Therefore, the annual cost for years 2 and 3 (and 2x1 exercisable options) will be reduced by approximately \$5,725 once the servers are fully decommissioned.

CONCLUSION:

Wallis Computer Solutions is recommended as the preferred respondent, given they have been evaluated as the best supplier based on qualitative criteria and the pricing is in-line with the current budget for Managed ICT Services. The indicative pricing includes services for the servers, which will only be required for a maximum of 18 months of the contract, and then the cost will reduce by approximately \$5,725 per annum.

VOTING REQUIREMENTS: Simple Majority

ABSOLUTE MAJORITY REQUIRED: No.

MOVED: Cr COAD

SECONDED: Cr STARCEVICH

That Council:

1. ACCEPT The assessment of the responses submitted for the Shire's Managed ICT Services contract with Wallis Computer Solutions being the preferred supplier based on the following term and price basis:

Term	Indicative Annual Cost (ex. GST)	One-off Costs (ex. GST)	Indicative Contract Price (ex. GST)
Initial Term – Year 1 - 3	\$65,707	\$3,800	\$200,921
2 x 1 Year Options exercisable by the Shire	\$65,707	\$0	\$131,414
Total			\$332,335

NB: The indicative pricing is not a lump sum price as there is a price variation mechanism for Managed Support Services based on number of devices. If the number of devices change, the charge will reflect this.

2. AUTHORISE the Chief Executive Officer to finalise the contract with Wallis Computer Solutions within the defined parameters of the scope of works and submission received by Wallis Computer Solutions, including the indicative costs shown above.

9.3 WORKS AND SERVICES

9.3.1 REQUEST FROM VENTIA, ON BEHALF OF MRWA, TO EXTEND STORM WATER CULVERT SLK 95.42 ON THE NORTHAM-PITHARA ROAD

FILE REFERENCE:

APPLICANT/PROPONENT: Shire of Wongan-Ballidu

OFFICER DISCLOSURE OF INTEREST: Nil PREVIOUS MEETING REFERENCES: Nil

AUTHOR: Stephen Casey, Manager of Works & Services

ATTACHMENTS: DWG 1.0, DWG 1.1

PURPOSE OF REPORT:

The objective of this report is to formally request approval from Council for Ventia, acting on behalf of MRWA, to undertake the extension of the Historically Heritage Significant water channel located at SLK 95.42 on the Northam-Pithara Road.

BACKGROUND:

Main Roads Western Australia (MRWA) is currently executing extensive road widening along the Northam-Pithara Road, stretching from Wongan Hills to Ballidu. This initiative aims to enhance road infrastructure and accommodate increasing traffic demands. As part of this project, MRWA is mandated to conduct culvert extensions to achieve the necessary formation width.

Of particular concern is a water channel designed to collect stormwater originating from Christmas Rock, situated north of the town. This channel directs the collected water flow towards the Railway Dam, positioned on the western side of the Northam-Pithara Road. Notably, the channel necessitates crossing underneath the Northam-Pithara Road at SLK 95.42.

Existing Water Channel

COMMENT:

The water channel holds significant historical heritage value for the Wongan Hills Community, despite not being officially listed as a heritage site. Ventia has proposed a solution involving excavating beside the channel and installing two 150mm footings with reinforced steel bars.

Subsequently, a cover slab will be constructed over the channel, firmly anchored to the footings on either side. This approach ensures that the weight of the new structure is borne by the footings, alleviating any strain on the existing water channel.

Ventia has indicated the possibility of making slight adjustments to the top of the existing water channel to ensure the cover slab rests evenly on the new footings and achieves the desired coverage.

Attached to this report are construction drawings detailing the proposed slab and its arrangement for reference.

PURPOSE OF REPORT:

Consideration and final determination of an application for Development Approval for the construction and use of pitched steel roof over two 20ft sea containers at Lot 725, 138 Wongan Road, Wongan Hills.

BACKGROUND:

The applicant is seeking Council's development approval for the construction and use of a pitched roof shelter over two 20ft sea containers for storage of steel on Lot 725, 138 Wongan Road, Wongan Hills.

Lot 725, 138 Wongan Road, Wongan Hills comprises a total area of approximately 2,025m². The property has existing sheds and office space.

Landgate Map 5 February 2024 (red box indicates whole property, yellow box indicates location of dome shelters)

Bushfire Prone Area Map as at 5 February 2024 (red lines indicate whole property, yellow box indicates location of pitched roof & sea containers)

COMMENT:

The applicant currently operates a mechanical and fabrication business from 134-146 Wongan Road, Wongan Hills. The property is classified as 'General Industry' zone in the Shire of Wongan Ballidu Local Planning Scheme No. 5 (LPS5).

The Zone Objectives for the development and use of any land classified 'General Industry' zone are as follows:

- To provide for a broad range of industrial, service and storage activities which by their operations, should be isolated from residential and other sensitive land uses.
- To accommodate industry that would not otherwise comply with the performance standards of light industry.
- To seek to manage impacts such as noise, dust and odour within the zone.
- To encourage any development to be appropriately screened from the main road.
- To provide a location where separate heavy vehicular access is provided.

The pitched roof over will be constructed over two existing 20ft sea containers. The purpose of the development is to provide storage and shelter for steel.

This will be positioned in between the fabrication and mechanical workshops, there is no impact to adjacent properties.

The application has been assessed with due regard for the specific objectives and standards of the Shire's local planning framework including LPS5 and all relevant local planning policies, the Residential Design Codes and the Deemed Provisions of the *Planning and Development (Local Planning Schemes) Regulations 2015.*

The development application has been assessed in consultation with the above documents and is subject to compliance with a number of conditions. As such it is recommended Council exercise its discretion and grant conditional approval to the application to ensure the development proceeds in accordance with the information and plans submitted in support of the proposal and the relevant standards and requirements of the Shire's local planning framework.

OFFICER RECOMMENDATION:

That Council APPROVE the Development Application for construction and use of pitched steel roof over two, 20ft sea containers at Lot 725, 138 Wongan Road, Wongan Hills, subject to the following conditions and advice notes:

Conditions:

- 1. The proposed development shall be completed within a period of two (2) years from the date of this approval. If the development is not completed within this period, the approval will lapse and be of no further effect. Where an approval has lapsed no development shall be carried out without the further approval of the Shire of Wongan Ballidu having first been sought and obtained.
- 2. The proposed development shall be undertaken strictly in accordance with the information and plans submitted in support of the application subject to any modifications required as a consequence of any condition/s of this approval or otherwise approved by Council.
- 3. All stormwater drainage generated by the proposed dwelling shall be contained and managed on site to the specifications and satisfaction of the Shire's Chief Executive Officer.
- 4. The proposed development shall be used for mechanical and fabrication purposes only unless otherwise approved by Council.

Advice Notes:

- 1. This approval is not an authority to ignore any constraint to development on the land which may exist through contract or on title, such as an easement, memorial or restrictive covenant. It is the responsibility of the applicant and landowner and not the Shire to investigate any such constraints before commencing development. This approval will not necessarily have regard to any such constraint to development, regardless of whether or not it has been drawn to the Shire's attention.
- 2. This is a development approval of the Shire of Wongan Ballidu under its Local Planning Scheme No. 5. It is not a building permit or an approval to commence or carry out development under any other law. It is the responsibility of the applicant/landowner to obtain any other necessary approvals, consents, permits and licences required under any other law, and to commence and carry out development in accordance with all relevant laws.
- 3. The applicant/landowner is reminded of their obligation to ensure compliance with the following requirements:
- a. Shire of Wongan Ballidu Annual Firebreak Notice compliance
- b. Shire of Wongan Ballidu Health Local Law
- 4. In accordance with the Building Act 2011 and Building Regulations 2012, a demolition permit application must be submitted to and approved by the Shire's Building Surveyor prior to the commencement of any construction or earthworks on the land.
- 5. In accordance with the Building Act 2011 and Building Regulations 2012, a building permit application must be submitted to and approved by the Shire's Building Surveyor prior to the commencement of any construction or earthworks on the land.
- 6. The proposed outbuilding is required to comply in all respects with the National Construction Code of Australia. Plans and specifications which reflect these requirements must be submitted to the Shire with the building permit application.
- 7. The noise generated by any activities on-site including machinery motors or vehicles shall not exceed the levels as set out under the Environmental (Noise) Regulations 1997.
- 8. No construction works shall commence on the land prior to 7 am without the Shire's written approval. No construction works are permitted to be undertaken on Sundays or Public Holidays.
- 9. Failure to comply with any of the conditions of this development approval constitutes an offence under the provisions of the Planning and Development Act 2005 and the Shire of Wongan Ballidu Local Planning Scheme No. 5 and may result in legal action being initiated by the local government.
- 10. If the applicant/landowner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with the Planning and Development Act 2005 Part 14. An application must be submitted within 28 days of the determination.

PURPOSE OF REPORT:

Consideration and final determination of an Application for Development Approval for the construction of a $12 \text{ m L} \times 7.5 \text{ m W} \times 3.0 \text{ m}$ H outbuilding (shed) at 11 Avon Road, Wongan Hills.

BACKGROUND:

The applicant is seeking Council's development approval for the construction and use of a new 12m L \times 7.5m W \times 3.0m H outbuilding for storage purposes at 11 Avon Road, Wongan Hills.

Landgate Map 5 February 2024 (red box indicates whole property, yellow box indicates location of outbuilding)

11 Avon Rd, Wongan Hills comprises a total area of approximately 5 acres. The land contains an existing 3 x 1 residential home. The proposed outbuilding is 23 metres from the existing residence.

The proposed outbuilding is located within a designated bushfire prone area. Because the shed is not habitable and is over 6 metres from the existing residence, a BAL assessment is not required.

Bushfire Prone Area Map as at 5th February 2024 (red lines indicate whole property, yellow box indicates location of outbuilding)

COMMENT:

The applicant would like to erect a new outbuilding at 11 Avon Road, Wongan Hills. The outbuilding will be made from Colorbond material and measure $12m \times 7.5m \times 3m$ (at eaves). The proposed outbuilding will be installed towards the East side of the property 23m from the main residence.

Access to the proposed outbuilding will be via the existing driveway from Central Road. The proposed outbuilding is to be set back over 50m from the East boundary fence, 18m from the North boundary fence. It will have an eave height of 3.0m and a ridge height of 4.0m.

11 Avon Road, Wongan Hills is classified 'Rural Residential' zone in the Shire of Wongan Ballidu Local Planning Scheme No. 5 (LPS5).

The Zone Objectives for the development and use of any land classified 'Rural Residential' zone are as follows:

- To provide for a lot sizes in the range of 1ha to 4ha.
- To provide opportunities for a range of limited rural and related ancillary pursuits on rural-residential lots where those activities will be consistent with amenity of the locality and the conservation and landscape attributes of the land.
- To set aside areas for retention of vegetation and landform or other features which distinguish the land.
- To discourage or prohibit development not compatible with the predominantly rural nature and residential amenity of the zone.
- To promote and encourage cluster subdivision and other innovative rural residential designs, having consideration for conservation values.
- To encourage the provision of vegetation and fauna corridors and the revegetation of the land to adequately protect any areas or sites of conservation value.
- To only permit development, and support subdivisions, in accordance with an approved structure plan.

The total area of the outbuilding the applicant is requesting, are outside the Deemed to Comply requirements under the R-Codes. The wall height requirements are also outside of the Deemed to Comply requirements and therefore a variation to the R-Codes is requested.

Under the Residential Design Codes (R-Codes) 11 Avon Road, Wongan Hills is zoned Rural Residential.

The size of an outbuilding can be varied if the application complies with the Design Principles set out by the R-Codes.

Design Principle 5.4.3 Outbuildings

P3 Outbuildings that do not detract from the streetscape or the visual amenity of residents or neighbouring properties.

The application has been assessed with due regard for the specific objectives and standards of the Shire's local planning framework including LPS5 and all relevant local planning policies, the Residential Design Codes and the Deemed Provisions of the *Planning and Development (Local Planning Schemes) Regulations 2015.*

The development application has been assessed in consultation with the above documents and is subject to compliance with a number of conditions. As such it is recommended Council exercise its discretion and grant conditional approval to the application to ensure the development proceeds in accordance with the information and plans submitted in support of the proposal and the relevant standards and requirements of the Shire's local planning framework.

MOVED: Cr GIEDRAITIS SECONDED: Cr BOEKEMAN

That Council APPROVE the Development Application for the proposed outbuilding at 11 Avon Rd, Wongan Hills, subject to the following conditions and advice notes:

Conditions

- 1. The proposed development shall be completed within a period of two (2) years from the date of this approval. If the development is not completed within this period, the approval will lapse and be of no further effect. Where an approval has lapsed no development shall be carried out without the further approval of the Shire of Wongan Ballidu having first been sought and obtained.
- 2. The proposed development shall be undertaken strictly in accordance with the information and plans submitted in support of the application subject to any modifications required as a consequence of any condition/s of this approval or otherwise approved by Council.

Advice Notes

- 1. This approval is not an authority to ignore any constraint to development on the land which may exist through contract or on title, such as an easement, memorial or restrictive covenant. It is the responsibility of the applicant and landowner and not the Shire to investigate any such constraints before commencing development. This approval will not necessarily have regard to any such constraint to development, regardless of whether or not it has been drawn to the Shire's attention.
- 2. This is a development approval of the Shire of Wongan Ballidu under its Local Planning Scheme No. 5. It is not a building permit or an approval to commence or carry out development under any other law. It is the responsibility of the applicant/landowner to obtain any other necessary approvals, consents, permits and licences required under any other law, and to commence and carry out development in accordance with all relevant laws.
- 3. The applicant/landowner is reminded of their obligation to ensure compliance with the following requirements:

- a) Shire of Wongan Ballidu Annual Firebreak Notice. All land zoned Residential, Rural Townsite and Commercial are required to reduce all annual grass and herbage to a height of not more than 75mm.
- b) Shire of Wongan Ballidu Health Local Law
- 4. In accordance with the Building Act 2011 and Building Regulations 2012, a building permit application must be submitted to and approved by the Shire's Building Surveyor prior to the commencement of any construction or earthworks on the land.
- 5. The proposed development is required to comply in all respects with the National Code of Australia. Plans and specifications which reflect these requirements must be submitted to the Shire with the building permit application.
- 6. The noise generated by any activities on-site including machinery motors or vehicles shall not exceed the levels as set out under the Environmental (Noise) Regulations 1997.
- 7. No construction works shall commence on the land prior to 7 am without the Shire's written approval. No construction works are permitted to be undertaken on Sundays or Public Holidays.
- 8. Failure to comply with any of the conditions of this development approval constitutes an offence under the provisions of the Planning and Development Act 2005 and the Shire of Wongan Ballidu Local Planning Scheme No. 5 and may result in legal action being initiated by the local government.
- 9. If the applicant/landowner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with the Planning and Development Act 2005 Part 14. An application must be submitted within 28 days of the determination.

PURPOSE OF REPORT:

The Western Australian Planning Commission (WAPC) has referred an application for the Subdivision/Amalgamation – CBH Network Strategy Implementation Project relating to the following locations -

- Lot 1276 (96) Ballidu South-East Road, East Ballidu
- Lot 100 (14) Townsend Road, Ballidu
- Lot 251 Ballidu South-East Road, Ballidu

The recommendation is that the WAPC be advised that the Shire of Wongan-Ballidu supports in principle the proposed freehold subdivision.

BACKGROUND:

At the Ordinary Council Meeting 19 November 2019, Council approved a request from Co-operative Bulk Handling (CBH) to advertise and request the Minister for Lands to close the unmade road reserve approx. 0.4415 ha at Lot 251 Ballidu South-East Road, Ballidu.

COMMENT:

The applicant has submitted a proposal to subdivide a portion of 42ha on Lot 1276 and amalgamate with existing Lot 100 and Lot 251. Lot 100 and 251 are both owned by CBH. The amalgamation will form a consolidated parcel of 49.16ha.

The purpose is to facilitate a future rail siding and grain receival site to support CBH's existing grain receival site at the existing Lot 100.

Lot 1276 has had previously approved development applications for the construction and use of seven open bulk heads and associated infrastructure.

PURPOSE OF REPORT:

The Western Australian Planning Commission (WAPC) has referred an application for the subdivision of property to Council for comment for Lot 450 and 451 Ackland St, Wongan Hills.

The recommendation is that the WAPC be advised that the Shire of Wongan-Ballidu supports in principle the proposed freehold subdivision.

BACKGROUND:

In November 2022 the Shire was contacted by the owner of Lot 450, 14 Ackland Street who was selling his property. At this point it was noted that there was a discrepancy with the boundaries of his property and that of Lot 451, 16 Ackland Street Wongan Hills.

Landgate Map Lot 451, 16 Ackland Street Wongan Hills

COMMENT:

The applicant has submitted a proposal to subdivide Lot 451, 16 Ackland Street Wongan Hills.

When the dwelling was originally built the original boundary was the blue line, allowing the dwelling to be built in its current position. In the map below the current boundary goes through the house and the shed to the rear of the property.

Landgate Map Lot 450, 14 Ackland Street Wongan Hills

The subdivision will also address the misalignment with Lot 452. There will be no change to the boundary of Lot 451 and 452.

PURPOSE OF REPORT:

Council is requested to consider the Tenders received for RFT 01-2023.

BACKGROUND:

The Shire called for tenders for the construction of 2 \times 3 bedroom, 2 bathroom units at Lot 707 Shields Crescent, Wongan Hills and 2 \times 2 bedroom, 2 bathroom units at Lot 713 Stickland Street, Wongan Hills.

Tenders closed on Monday 3rd April 2023.

COMMENT:

Two tenders were received from builders for the construction of the units.

	Cost Per Unit					
	Shie	elds Crescent	scent Stickland Street		Total Tender Cost	
Modular WA	\$	425,682.00	\$	417,065.00	\$	1,685,494.00
Unison	\$	582,929.30	\$	425,853.50	\$	2,017,565.64

Costing includes GST

At the April 2023 informal meeting Council were informed that the two tenders had been received and were well above the funding amount available to the Shire.

It was discussed that a workshop be held to discuss the tenders and to find a way forward in the construction of the units.

At the Councillor review of the tenders, it was decided that the Shire engage with Mr Neil Panton to review the tenders as an independent and provide advice.

The Chief Executive Officer met with Mr Panton twice, the first to see if we could engage the services of Mr Panton for the process, who agreed to review the specifications and both Tenders submitted. The second meeting was to consider the outcome of Mr Panton's review. Mr Panton was of the view that one of the Tenders was non-compliant and should not be considered. A review of the Tender documentation did not provide what was sought through the tender process.

It was agreed that a meeting would be held with the preferred tenderer to review and discuss the specifications with the view of reducing the costs to fit within Councils Budget.

The items discussed during an October meeting with Mr Panton centred around ancillary specifications such as earthworks, fencing and landscaping etc. not the actual structural component of the dwellings.

Modular WA have provided the following revised tender amount.

	Cost Per Unit						
	S	hields Crescent T102	Stic	Stickland Street T104		Total Tender Cost

The Shire of Wongan Ballidu was successful in receiving LCRIP Phase 3 grant funding of \$1,089,500 with the Shire contributing in kind works and land of \$251,000 in relation to this with a total project cost \$1,350,000.

To continue with four units, the Shire is required to source additional funds or reduce the scope of works.

To this end the LCRIP Phase 3 program received an extension (now referred to as Phase 4A) of funding of which Council had indicated that it would allocate to further housing. It is proposed the Phase 4A funds amounting to \$544,750 be allocated to fill the above funding gap of the Tender being \$248,604 (GST exclusive) and with excess to fund any additional increase in site works.

Approval will need to be sort from the Commonwealth; the request has been submitted.

PURPOSE OF REPORT:

To seek Council approval to waive the entry fee to Wongan Hills Swimming Pool on the occasion of the Pool 60th Anniversary celebration to be held on Saturday 16th March 2024.

BACKGROUND:

The Wongan Hills Memorial Swimming Pool turned 60 years of age in November 2023, and to celebrate the Shire is planning a community pool party. The pool party is planned for Saturday 16th March 2024 to be conducted during the normal pool opening hours of 12pm-6pm.

COMMENT:

The pool party is planned to bring the community together to celebrate the 60 years of the pool which has been a significant community asset since it was first opened. The pool party is planned as a casual event, with a number of additional activities planned for the enjoyment of patrons on the day. It is planned to also celebrate the history of the pool, the community work that was undertaken to build the pool initially, and to celebrate some of the significant community members who have contributed to the pool and the Wongan Hills Swimming Club, which is also close to 60 years old.

As a significant community celebration, it is proposed that entry to the pool will be free on that day, and as sch officers are asking Council to waive entry fees for that day.

POLICY REQUIREMENTS:

There are no policy requirements in relation to the item.

LEGISLATIVE REQUIREMENTS:

Local Government Act 1995

6.12. Power to defer, grant discounts, waive or write off debts
