Disposal of Land – Information Sheet

Offers to purchase land owned by Shire of Wongan-Ballidu should be submitted in writing to shire@wongan.wa.gov.au.

In accordance with Section 3.58(3)(4) of the Local Government Act 1995 there is a statutory process for disposal of land. Council is required to follow this process before disposing (selling) its assets.

Firstly, your written offer to purchase land owned by Shire of Wongan-Ballidu will be provided to the Council at the next Ordinary Council Meeting for consideration.

If your offer to purchase is approved by Council, the Shire is required to advertise and call for public submissions in relation to the disposal of the land for the offered consideration in accordance with Local Government Act 1995 Section 3.58 (3).

After the submission closing date, the Shire will review any submissions made (if any) and then engage with the party/s who provided the submission to proceed with settlement.
