GODFREY, Michael

Born in Wongan Hills in 1976, I have a strong commitment to serve and work with all sectors of the wider community with the greatest of honesty and integrity. I have served previously on the Wongan Ballidu Council and understand the complexities and challenges that come with providing what is essential, and what the District and the community expects, while still remaining relevant and sustainable into the future. I am keen to work with all members of Council to ensure the greatest outcomes that have purpose and value and fit within the strategic focus and direction of our Communities.
