# 9.1.2 2022/2023 ANNUAL REPORT AND ELECTORS MEETING

FILE REFERENCE: F1.5

**REPORT DATE:** 27 November 2023

APPLICANT/PROPONENT: Nil
OFFICER DISCLOSURE OF INTEREST: Nil
PREVIOUS MEETING REFERENCES: Nil

**AUTHOR:** Stuart Taylor – Chief Executive Officer

ATTACHMENTS: 2022/ 2023 Annual Report for Year Ended 30 June 2023

#### **PURPOSE OF REPORT:**

For Council to adopt the 2022/2023 Annual Report for the year-ended 30 June 2023 and set a date for the Annual General Meeting of Electors.

# **BACKGROUND:**

# **Annual Report**

Council is required to accept the Annual Report 2022/2023 to enable it to be available for the Annual Electors' Meeting scheduled to be held on Wednesday 14 February 2024.

The Local Government Act 1995 (the Act) requires Council to accept the report no later than 31 December each year or no later than 2 months after the auditor's report becomes available.

Local governments are required to publish the annual report, including all audit reports, on their website within 14 days after the report has been adopted by Council.

# Annual Elector's Meeting

Under s5.27(2) of the Act, an elector's general meeting is to be held on a day selected by the local government but no more than 56 days after the local government accepts the annual report for the previous financial year.

Under s5.29 of the Act, a local government must give at least 14 days' local public notice of the date, time, place and purpose of the meeting.

#### **COMMENT:**

In accordance with s5.54 of the *Local Government Act 1995*, it is proposed that the Annual Report 2022/23 be accepted by Council.

The Annual Report includes all of the statutory information required under the Local Government Act and Regulations including but not limited to;

- Report from the Shire President
- Report from the Chief Executive Officer
- Annual Financial Report
- Auditors Report

The Shire had its audit exit meeting on Wednesday 13 December 2023, representatives from the Shire's external auditor, the Officer of The Auditor General, Shire's audit committee and the Chief Executive Officer and Deputy Chief Executive Officer were present. At this meeting the Chief Executive Officer signed the Annual Financial Report. The auditor's report was also issued on Wednesday 13 December.

In order to comply with its statutory obligations following the adoption of the Annual Report 2022/2023, it is recommended that the Annual General Electors' Meeting be held on Wednesday 14 February 2024, commencing at 7.00pm in the Function Room at the Wongan Hills Community Resource Centre for the purpose of discussing the annual report and any other general business.

# **POLICY REQUIREMENTS:**

There are no policy requirements in relation to this item.

# **LEGISLATIVE REQUIREMENTS:**

# **Annual Report**

Section 5.53 of the *Local Government Act 1995* outlines the requirement for the local government to prepare an annual report for each financial year and the required content to be included.

Section 5.54(1) of the *Local Government Act 1995* states that the annual report for a financial year is to be accepted (absolute majority required) by the local government no later than 31 December after that financial year.

Section 5.54(2) of the *Local Government Act 1995* states that, if the auditor's report is not available in time for the annual report for a financial year to be accepted by 31 December after that financial year, the annual report is to be accepted by the local government no later than 2 months after the auditor's report becomes available.

# **Notice and Publication**

Section 5.55 of the *Local Government Act 1995* states that the Chief Executive Officer is to give local public notice of the availability of the annual report as soon as practicable after the report has been accepted by the local government.

Section 5.55A of the *Local Government Act 1995* states that the Chief Executive Officer is to publish the annual report on the local government's official website within 14 days after the report has been accepted by the local government.

# Annual Elector's Meeting

Section 5.27(1) of the *Local Government Act 1995* states that a general meeting of electors of a district is to be held once every financial year.

Section 5.27(2) of the *Local Government Act 1995* states that a general meeting is to be held on a day selected by the local government but not more than 56 days after the local government accepts the annual report for the previous financial year.

Section 5.29(1) of the *Local Government Act 1995* states that the Chief Executive Officer is to give 14 days' local public notice of the date, time, place and purpose of the meeting.

Section 1.7 of the Local Government Act 1995: Definition of 'Local Public Notice':

- (1) Where under this Act local public notice of a matter is required to be given, a notice of the matter is to be
  - (a) published in a newspaper circulating generally throughout the district; and
  - (b) exhibited to the public on a notice board at the local government's offices;
  - (c) exhibited to the public on a notice board at every local government library in the district.

**ATTACHMENTS:** 9.2.1 Accounts for November 2023

## **PURPOSE OF REPORT:**

That the accounts for 1 November 2023 to 30 November 2023, as submitted, be received.

#### **BACKGROUND:**

This information is provided to the Council on a monthly basis in accordance with provisions of the *Local Government Act 1995* and Local Government (Financial Management) Regulations 1996.

## **COMMENT:**

The Local Government (Financial Management) Regulations 1996 were recently updated effective 1 November 2023 to include Regulation 13A, which legislates payments by employees via purchasing cards must be presented to Council and recorded in the minutes. Previously, Council were being presented the credit card payments in the Information Bulletin, however, as this does not form part of the formal Council proceedings and is not minuted, this has been moved into this agenda and following attachment in conjunction with the list of payments.

# **POLICY REQUIREMENTS:**

There are no known policy requirements related to this item.

# **LEGISLATIVE REQUIREMENTS:**

Local Government (Financial Management) Regulations 1996 Regulation 13 & 13A requires the attached report to be presented to Council.

#### **Lists of Accounts**

Regulation 13 and 13A of the *Local Government (Financial Management) Regulations 1996* are applicable to this agenda item and attached reports.

# Regulation 13 - Payments from municipal fund or trust fund by CEO, CEO's duties as to etc.

(1)If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared — (a) the payee's name; and (b) the amount of the payment; and the date of the payment; and (c) (d) sufficient information to identify the transaction. (2)A list of accounts for approval to be paid is to be prepared each month showing — (a) for each account which requires council authorisation in that month -(i) the payee's name; and (ii) the amount of the payment; and (iii) sufficient information to identify the transaction; and (b) the date of the meeting of the council to which the list is to be presented. (3)A list prepared under subregulation (1) or (2) is to be — (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and

# Regulation 13A - Payments by employees via purchasing cards

recorded in the minutes of that meeting.

If a local government has authorised an employee to use a credit, debit or other purchasing (1)card, a list of payments made using the card must be prepared each month showing the following for each payment made since the last such list was prepared — (a) the payee's name; (b) the amount of the payment; (c) the date of the payment; sufficient information to identify the payment. (d)(2)A list prepared under subregulation (1) must be — (a) presented to the council at the next ordinary meeting of the council after the list is prepared; and recorded in the minutes of that meeting. (b)

# STRATEGIC IMPLICATIONS:

FILE REFERENCE: F1.4

**REPORT DATE:** 13 December 2023

APPLICANT/PROPONENT: N/A
OFFICER DISCLOSURE OF INTEREST: Nil
PREVIOUS MEETING REFERENCES: Nil

**AUTHOR:** Sam Dolzadelli – Deputy Chief Executive Officer

**ATTACHMENTS:** 9.2.2a Financial Reports 9.2.2b Financial Health Check

#### **PURPOSE OF REPORT:**

The purpose of this report is to present to Council the Monthly Financial Report (containing the Statement of Financial Activity by Nature) for the month ended 30 November 2023. The Capital Works report has been incorporated into this. A monthly financial health check has been appended to the report to give an overview of how the Shire is tracking against some key financial indicators.

#### **BACKGROUND:**

Under section 6.4(1) of the *Local Government Act 1995*, a local government is required to prepare an annual financial report for the proceeding financial year and such other financial reports as are prescribed. Part 4 of the *Local Government (Financial Management) Regulations 1996* prescribes the minimum contents of the Monthly Financial Report.

Below is the prescribed contents of the Monthly Financial Report.

# **Regulation 34 - Statement of Financial Activity**

- (1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for the previous month (relevant month) in the following detail:
  - (a) annual budget estimates; and
  - (b) budget estimates to the end of the relevant month (YTD Budget); and
  - (c) actual amounts of expenditure, revenue and income to the end of the relevant month (YTD Actual); and
  - (d) material variances between the comparable amounts (YTD Actual YTD Budget); and
  - (e) the net current assets at the end of the relevant month and a note containing a summary explaining the composition of net current assets.
- (2) Each statement of financial activity is to be accompanied by documents containing
  - (a) (removed)
  - (b) an explanation of each of the material variances referred to in subregulation (1)(d); and
  - (c) such other supporting information as is considered relevant by the local government.

- (3) The information in a statement of financial activity must be shown according to nature classification.
- (4) A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be
  - (a) Presented at an ordinary meeting of the council within 2 months after the end of the relevant month; and
  - (b) Recorded in the minutes of the meeting at which it is presented.
- (5) Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

# **Regulation 35 – Statement of Financial Position**

- (1) A local government must prepare each month a statement of financial position showing the financial position of the local government as at the last day of the previous month (the **previous month**) and
  - (a) The financial position of the local government as at the last day of the previous financial year; or
  - (b) If the previous month is June, the financial position of the local government as at the last day of the financial year before the previous financial year.
- (2) A statement of financial position must be
  - (a) Presented at an ordinary meeting of the council within 2 months after the end of the previous month; and
  - (b) Recorded in the minutes of the meeting at which it is presented.

# **POLICY REQUIREMENTS:**

# **STRATEGIC IMPLICATIONS:**

There are no strategic implications relating to this item.

# SUSTAINABILITY IMPLICATIONS:

# **Environment**

There are no known environmental impacts associated with this proposal.

#### Economic

There are no known economic impacts associated with this proposal.

#### Social

There are no known social implications associated with this proposal.

#### FINANCIAL IMPLICATIONS:

Material variances are disclosed in the Statement of Financial Activity.

As part of the adopted 2023/24 Budget, Council adopted the following thresholds as levels of material variances for financial reporting.

In accordance with regulation 34 (5) of the Local Government (Financial Management) Regulations 1996, and AASB 1031 Materiality, the level to be used in statements of financial activity in 2023/24 for reporting material variances shall be:

- (a) 10% of the amended budget; or
- (b) \$10,000 of the amended budget.

whichever is greater. In addition, that the material variance limit be applied to total revenue and expenditure for each nature classification and capital income and expenditure in the Statement of Financial Activity.

The financial reports for the period ending 30 November 2023 are attached to the Council Agenda.

#### **COMMENT:**

This report presents the Statement of Financial Activity by nature or type for the period ended 30 November 2023.

The following is a summary of the headline numbers from the attached report, and explanations for variances is provided in note 1 of the report.

Non-cash items (excluded)	3,676,290	1,523,370	0
Closing Surplus/(Deficit)	0	2,053,589	2,965,899

#### Rates

Rates notices were issued with an effective issuance date of 7 August 2023. As at 30 November 2023, the Shire had receipted \$3,326,923 in rates, ESL and rubbish charges. Due date for payment in full, or first instalment was 11 September 2023. As at 30 November 2023, the gross amount of rates, ESL and rubbish charges outstanding (including arrears, legal charges and interest) is **\$495,219** and of this amount \$37,346 is made up of deferred pensioner rates. Total outstanding equates to 13.01% of the brought forward arrears and current year billing.

Final notices were issued on 18 September, giving ratepayers 14 days to pay any amount outstanding if they were not paying by instalments. Any ratepayers who still had not made payment were issued with a final demand on 13 October, with payment terms of 7 days. On the 25<sup>th</sup> of October any unpaid accounts were sent to the Shire's external debt recovery agent. The total amount owing that is being recovered through the agent as at 30 November 2023 is \$30,444.

# **Capital Works**

As at 30 November 2023 the Shire has incurred \$1,798,532 in actual expenditure on capital works projects against a current budget of \$8,920,501 representing 20.16% of the budgeted works.

# **Depreciation**

Depreciation for the 2023/24 financial year has not yet been processed as the Shire is awaiting the final audit of the Annual Financial Report to be undertaken. As depreciation is a non-cash item, it does not impact the Shire's surplus position.

# Other

Attention is drawn to the actual opening surplus figure for 1 July 2023 of \$2,744,736 against the budgeted opening surplus of \$2,713,397. This is an increase in the budgeted opening surplus of \$31,339. Whilst management is confident in the accuracy of the actual opening surplus, this is still to be audited and as such no additional brought forward surplus will be allocated until the budget review.

# **Budget Amendments**

Council is requested to approve the following amendments to the 2023/24 adopted Annual Budget, with explanations provided in the table below. Pursuant to section 6.8(1)(b) of the *Local Government Act 1995*, this will require an absolute majority decision of Council.

Variance Report 30 November 2023

The Local Government (Financial Management) Regulations 1996 require that financial statements are presented monthly to council. Council has adopted 10% as its threshold for line items on the Statement of Financial Activity by nature shown on page 1. This report uses a traffic light system to flag those items that are within tolerance and others that fall out of the range. Variances are calculated using a comparison of year to date actual against year to date budget. It needs also to be noted that the early months of the financial year are a period when variance percentages are volatile and extremely sensitive to small movements in actual income and expenditure.

Code	Variance Actual to YTD Budget	Variance reason	Report Section	Comments
		DOM: ALT	Operating Incom	me
<b>/</b>	10,314	Within Threshold	Rates	Within Council variance reporting threshold.

#### Financial health indicators

Page | 2

#### How are we tracking against our budgeted targets?

#### **Adjusted Operating Surplus**

A measure of the Shire's ability to cover its operational costs including depreciation and have funds left over to cover capital expenditure (including principal loan repayments) without relying on debt or reserves.

Adjusted operating surplus and self-sufficient ratios are high in the earlier part of the year due to rates being
fully billed in August. However, as the year progresses, operating expenditure will continue to draw on this
revenue source reducing to target by 30 June 2024.

#### **Asset Sustainability Ratio**

Measures if the Shire is replacing or renewing existing non-financial assets at the same rate that its overall asset stock is wearing out.

· Cannot be calculated until depreciation is processed, which will not occur until December/January once the final audit is completed.

#### 9.2.3 2022/2023 ANNUAL FINANCIAL REPORT, AUDITORS REPORT AND MANAGEMENT LETTER

AUTHOR: Sam Dolzadelli, Deputy Chief Executive Officer

ATTACHMENTS: 2022/2023 Annual Financial Report, Auditors Report for

Year Ending 30 June 2023 and Management Letter.

#### **PURPOSE OF REPORT:**

To present to Council the 2022/2023 Audited Annual Financial Report, inclusive of the Auditors Report for the Year Ended 30 June 2023, and the Management Letter for the Year Ended 30 June 2023.

#### **BACKGROUND:**

Section 6.4 of the *Local Government Act 1995* requires local governments to prepare an annual financial report for the preceding financial year. The financial report is to be prepared and presented in the manner and form prescribed in the *Local Government (Financial Management) Regulations 1996*, Local governments are required to submit the annual financial report to its auditor by the 30 September.

Sections 7.2 and 7.9 of the *Local Government Act 1995* requires local governments to have the accounts and annual financial report of the local government audited by an auditor appointed by the local government.

#### **COMMENT:**

The audit for the 2022/2023 financial year has been completed and provides an overview of the financial activities of the Shire for the 2022/2023 year.

Presented as attachments to this report are the following documents:

- Annual Financial Report;'
- Auditors Report; and
- Management Letter.

The Annual Financial Report of the Shire of Wongan-Ballidu for the financial year ended 30 June 2023 is based on proper accounts and records to fairly present the financial position of the Shire of Wongan-Ballidu at 30 June 2023, and the results of the operations for the financial year then ended in accordance with the *Local Government Act 1995* and, to the extent they are not inconsistent with the Act, the Australian Accounting Standards.

#### **Management Letter**

The Shire of Wongan-Ballidu's final Management Letter for the year ended 30 June 2023 includes seven (7) findings.

Attention is drawn to Management's comments in the Letter which provides a response to the findings made during the course of the Audit.

#### **POLICY REQUIREMENTS:**

4.1 - Accounting

#### **LEGISLATIVE REQUIREMENTS:**

#### **Annual Financial Report**

Section 6.4 of the *Local Government Act 1995* legislates the requirements for the local government to prepare an annual financial report in the manner and form prescribed (contained in s36 of the *Local Government (Financial Management) Regulations 1996) and, by 30 September following each financial year, submit its accounts and annual financial report to its auditor.* 

Section 51(2) of the *Local Government (Financial Management) Regulations 1996* states that a copy of the annual financial report of a local government is to be submitted the Department of Local Government, Sport and Cultural Industries within 30 days of the receipt of the auditor's report.

#### **Audit**

Section 7.2 of the *Local Government Act 1995* states that the accounts and annual financial report of a local government for each financial year is required to be audited by an auditor appointed by the local government.

Section 7.3 of the *Local Government Act 1995* legislates the requirement of the local government to appoint an auditor.

Section 7.9(1) of the *Local Government Act 1995* legislates the requirements for the auditor to examine the accounts and annual financial report by 31 December and prepare a report to be forwarded to the President, Chief Executive Officer, and the Minister.

### INDEPENDENT AUDITOR'S REPORT 2023 Shire of Wongan-Ballidu

#### To the Council of the Shire of Wongan-Ballidu

#### **Opinion**

I have audited the financial report of the Shire of Wongan-Ballidu (Shire) which comprises:

- the Statement of Financial Position as at 30 June 2023, and the Statement of Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows and Statement of Financial Activity for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, the financial report is:

- based on proper accounts and records
- presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2023 and its financial position at the end of that period
- in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards.

#### **Basis for opinion**

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section below.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Other information

The Chief Executive Officer (CEO) is responsible for the preparation and the Council for overseeing the other information. The other information is the information in the entity's annual report for the year ended 30 June 2023, but not the financial report and my auditor's report.

My opinion on the financial report does not cover the other information and accordingly, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or my knowledge obtained in the audit or otherwise appears to be materially misstated.

Page 1 of 3

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I did not receive the other information prior to the date of this auditor's report. When I do receive it, I will read it and if I conclude that there is a material misstatement in this information, I am required to communicate the matter to the CEO and Council and request them to correct the misstated information. If the misstated information is not corrected, I may need to retract this auditor's report and re-issue an amended report.

#### Responsibilities of the Chief Executive Officer and Council for the financial report

The Chief Executive Officer (CEO) of the Shire is responsible for:

- keeping proper accounts and records
- preparation and fair presentation of the financial report in accordance with the requirements of the Act and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards
- managing internal control as required by the CEO to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for:

- assessing the Shire's ability to continue as a going concern
- disclosing, as applicable, matters related to going concern
- using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

#### Auditor's responsibilities for the audit of the financial report

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at <a href="https://www.auasb.gov.au/auditors">https://www.auasb.gov.au/auditors</a> responsibilities/ar4.pdf.

#### My independence and quality management relating to the report on the financial report

I have complied with the independence requirements of the *Auditor General Act 2006* and the relevant ethical requirements relating to assurance engagements. In accordance with ASQM 1 *Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagements,* the Office of the Auditor General maintains a comprehensive system of quality management including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

#### Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the Shire of Wongan-Ballidu for the year ended 30 June 2023 included in the annual report on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report. It does not provide an opinion on any other information which may have been hyperlinked to/from the annual report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to contact the Shire to confirm the information contained in the website version.

#### 1. BASIS OF PREPARATION

The financial report of the Shire of Wongan-Ballidu, which is a class 4 local government, comprises general purpose financial statements which have been prepared in accordance with the Local Government Act 1995 and accompanying regulations.

#### Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996 prescribe that the financial report be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-forprofit entities) and Interpretations of the Australian Accounting Standards Board were applied except for disclosure requirements of:

AASB 7 Financial Instruments Disclosures

- AASB 16 Leases paragraph 58
- AASB 101 Presentation of Financial Statements paragraph 61
- AASB 107 Statement of Cash Flows paragraphs 43 and 45
- AASB 116 Property, Plant and Equipment paragraph 79
- AASB 137 Provisions, Contingent Liabilities and Contingent Assets paragraph 85
- AASB 140 Investment Property paragraph 75(f)
- AASB 1052 Disaggregated Disclosures paragraph 11
- AASB 1054 Australian Additional Disclosures paragraph 16

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

#### The local government reporting entity

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 28 of the financial report.

#### Judgements and estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings, and infrastructure.
- estimation uncertainties made in relation to lease accounting

#### Initial application of accounting standards

During the current year, the following new or revised Australian Accounting Standards and Interpretations were applied for the first time

- AASB 2020-3 Amendments to Australian Accounting Standards -Annual Improvements 2018-2020 and Other Amendments
- AASB 2020-6 Amendments to Australian Accounting Standards Classification of Liabilities as Current or Non-current — Deferral of Effective Date
- AASB 2021-7a Amendments to Australian Accounting Standards
   Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections [general editorials]
- AASB 2022-3 Amendments to Australian Accounting Standards
   Illustrative Examples for Not-for-Profit Entities accompanying AASB 15

These amendments have no material impact on the current annual financial report

#### New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- AASB 2014-10 Amendments to Australian Accounting Standards
   Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- AASB 2020-1 Amendments to Australian Accounting Standards -Classification of Liabilities as Current or Non-current
- AASB 2021-2 Amendments to Australian Accounting Standards -Disclosure of Accounting Policies or Definition of Accounting Estimates
- This standard will result in a terminology change for significant accounting policies
- AASB 2021-7c Amendments to Australian Accounting Standards

   Effective Date of Amendments to AASB 10 and AASB 128 and Editorial Corrections [deferred AASB 10 and AASB 128 amendments in AASB 2014-10 apply]
- AASB 2022-5 Amendments to Australian Accounting Standards
   Lease Liability in a Sale and Leaseback
- AASB 2022-6 Amendments to Australian Accounting Standards
   Non-current Liabilities with Covenants
- AASB 2022-7 Editorial Corrections to Australian Accounting Standards and Repeal of Superseded and Redundant Standards
- AASB 2022-10 Amendments to Australian Accounting Standards

   Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities

have any material impact on the financial report on initial application.

The amendment may result in changes to the fair value of non-financial assets. The impact is yet to be quantified. Except as described above these amendments are not expected to

#### SIGNIFICANT ACCOUNTING POLICIES

#### Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

Term deposits are presented as cash equivalents if they have a maturity of three months or less from the date of acquisition and are repayable with 24 hours notice with no loss of interest.

#### Restricted financial assets

Restricted financial asset balances are not available for general use by the local government due to externally imposed restrictions. Restrictions are specified in an agreement, contract or legislation. This applies to reserve accounts, unspent grants, subsidies and contributions and unspent loans that have not been fully expended in the manner specified by the contributor, legislation or loan agreement and for which no liability has been recognised.

Loans receivable from clubs/institutions have the same terms and conditions as the related borrowing disclosed in Note 26(a) as self supporting loans. Fair value of financial assets at fair value through profit or loss is determined from the net asset value of the units held in the Trust at balance date as compiled by WALGA.

#### SIGNIFICANT ACCOUNTING POLICIES

#### Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Fair values of financial assets at amortised cost are not materially different to their carrying amounts, since the interest receivable on those assets is either close to current market rates or the assets are of a short term nature. Non-current financial assets at amortised cost fair values are based on discounted cash flows using a current market rates. They are classified as level 2 fair values in the fair value hierachy.

Interest received is presented under cashflows from operating activities in the Statement of Cash Flows where it is earned from financial assets that are held for cash management purposes.

#### Financial assets at fair value through profit or loss

The Shire has elected to classify the following financial assets at fair value through profit or loss:

- debt investments which do not qualify for measurement at either amortised cost or fair value through other comprehensive income.
- equity investments which the Shire has elected to recognise as fair value gains and losses through profit or loss.

#### SIGNIFICANT ACCOUNTING POLICIES Rates and statutory receivables

Rates and statutory receivables are non-contractual receivables arising from statutory requirements and include amounts due from ratepayers for unpaid rates and service charges and other statutory charges or fines.

Rates and statutory receivables are recognised when the taxable event has occurred and can be measured reliably.

#### Trade receivables

Trade receivables are amounts receivable from contractual arrangements with customers for goods sold, services performed or grants or contributions with sufficiently specific performance obligations as part of the ordinary course of business.

#### Other receivables

Other receivables are amounts receivable from contractual arrangements with third parties other than contracts with customers including grants for the construction of recognisable non financial assets.

#### Measurement

Trade and other receivables are recognised initially at the amount of the transaction price, unless they contain a significant financing component, and are to be recognised at fair value.

#### Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

Additions to inventory		326,679	549,596
Balance at end of year	7.50	28,154	116,388

#### SIGNIFICANT ACCOUNTING POLICIES General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale

#### Land held for sale

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development.

Land held for sale (Continued)
Borrowing costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed onto the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on the council's intentions to release for sale.

#### Land classified as held for sale

During the year council acquired land in Ballidu to on-sell to CBH.

The contract for the sale of this land is to be completed early in the 2023/24 financial year.

#### SIGNIFICANT ACCOUNTING POLICIES Other current assets

Other non-financial assets include prepayments which represent payments in advance of receipt of goods or services or that part of expenditure made in one accounting period covering a term extending beyond that period.

#### Non-current assets held for sale

Assets are classified as held for sale where the carrying amount will be recovered through a sale rather than continuing use and the asset is available for immediate sale with a sale being highly probable.

#### Non-current assets held for sale (Continued)

Non-current assets classified as held for sale are valued at the lower of the carrying amount and fair value less costs to sell.

The fair value of land and buildings was determined using the sales comparison approach using comparable properties in the area. This is a level 2 measurement as per the fair value land heirarchy.

Explanation of material Infrastructure revaluation movement
The Shire's Infrastructure assets were indepently revalued as at 30 June 2023 in line with AASB 13 Fair Value Measurement and the Local Government (Financial Management) Regulations 1996.

The revaluation resulted in a material increase in the fair value of the Shire's roads, footpaths and drainage assets and a material decrease in the Shire's parks & ovals and other infrastructure assets.

The independent valuation consisted of a visual condition assessment of the Shire's entire infrastructure asset base, which resulted in the condition of certain parks & ovals and other infrastructure assets being downgraded.

This resulted in the remaining useful lives being reduced and the depreciated replacement cost was reduced in line with this.

The justification for the material increase in the Shire's roads, footpaths and drainage assets is wholly due to the application of revised unit cost rates which reflect the current economic environment for the construction of these assets.

### Revision of useful lives

Due to the infrastructure valuation for 30 June 2023, there was a number of material changes in remaining useful lives of infrastructure assets.

### 10. FIXED ASSETS (Continued)

### SIGNIFICANT ACCOUNTING POLICIES Fixed assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value (as indicated), less any accumulated depreciation and impairment losses.

### Initial recognition and measurement for assets held at cost

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost, the asset is initially recognised at fair value. Assets held at cost are depreciated and assessed for indicators of impairment annually.

### Initial recognition and measurement between mandatory revaluation dates for assets held at fair value

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Financial Management Regulation 17A (5). These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets that are land, buildings, infrastructure and investment properties acquired between scheduled revaluation dates of the asset class in accordance with the Shire's revaluation policy, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair They are subject to subsequent revaluation at the next revaluation consistent with *Financial Management Regulation 17A(4)*.

### Revaluation

The fair value of land, buildings, infrastructure and investment properties is determined at least every five years in accordance with the regulatory framework. This includes buildings and infrastructure items which were pre-existing improvements (i.e. vested improvements) on vested land acquired by the Shire.

At the end of each period, the carrying amount for each asset class is reviewed and, where appropriate, the fair value is updated to reflect current market conditions consistent with Financial Management Regulation 17A(2) which requires land, buildings infrastructure, investment properties and vested improvements to be shown at fair value.

### Revaluation (continued)

For property, plant and equipment and infrastructure, increases in the carrying amount arising on revaluation of asset classes are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss. Subsequent increases are then recognised in profit or loss to the extent they reverse a net revaluation decrease previously recognised in profit or loss for the same class of asset.

### Depreciation

The depreciable amount of all property, plant and equipment and infrastructure, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

### Depreciation on revaluation

When an item of property, plant and equipment and infrastructure is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- (i) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset.
- (ii) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

### Amortisation

All intangible assets with a finite useful life, are amortised on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use.

The residual value of intangible assets is considered to be zero and the useful life and amortisation method are reviewed at the end of each financial year.

Amortisation is included within depreciation in the Statement of Comprehensive Income and in Note 10(a).

### Impairment

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

### Gains or losses on disposal

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the Statement of Comprehensive Income in the period in which they arise.

### SIGNIFICANT ACCOUNTING POLICIES

At inception of a contract, the Shire assesses if the contract contains or is a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Shire uses its incremental borrowing rate.

All contracts that are classified as short-term leases (i.e. a lease with a term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease

Details of individual lease liabilities required by regulations are provided at Note 26(b).

### Right-of-use assets - measurement

Right-of-use assets are measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost (i.e. not recognised in the Statement of Financial Position). The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which are reported at fair value.

Refer to Note 10 under revaluation for details on the significant accounting policies applying to vested improvements.

Right-of-use assets - depreciation
Right-of-use assets are depreciated over the lease term or useful life of the underlying asset, whichever is the shorter. Where a lease transfers ownership of the underlying asset, or the cost of the right-of-use asset reflects that the Shire anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

### 11. LEASES (Continued)

### (c) Lessor - Property, Plant and Equipment Subject to Lease

The table below represents a maturity analysis of the undiscounted lease payments to be received after the reporting date. Less than 1 year

### SIGNIFICANT ACCOUNTING POLICIES The Shire as Lessor

Upon entering into each contract as a lessor, the Shire assesses if the lease is a finance or operating lease.

The contract is classified as a finance lease when the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases not within this definition are classified as operating leases. Rental income received from operating leases is recognised on a straight-line basis over the term of the specific lease.

2023 Actual	2022 Actual
\$	\$
100,011	118,367
100 011	118 367

Initial direct costs incurred in entering into an operating lease (eg legal cost, cost to setup) are included in the carrying amount of the leased asset and recognised as an expense on a straight-line basis over the lease term.

When a contract is determined to include lease and non-lease components, the Shire applies AASB 15 to allocate the consideration under the contract to each

### SIGNIFICANT ACCOUNTING POLICIES

### Financial liabilities

Financial liabilities are initially recognised at fair value when the Shire becomes a party to the contractual provisions of the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and any consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

### Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are usually paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

### Prepaid rates

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises income for the prepaid rates that have not been refunded.

Performance obligations in relation to capital grant/contribution liabilities are satisfied as project milestones are met or completion of construction or acquisition of the asset.

### SIGNIFICANT ACCOUNTING POLICIES

### **Contract liabilities**

Contract liabilities represent the Shire's obligation to transfer goods or services to a customer for which the Shire has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

### Capital grant/contribution liabilities

Capital grant/contribution liabilities represent the Shire's obligations to construct recognisable non-financial assets to identified specifications to be controlled by the Shire which are yet to be satisfied. Capital grant/contribution liabilities are recognised as income when the obligations in the contract are satisfied.

Fair values for non-current capital grant/contribution liabilities, not expected to be extinguished within 12 months, are based on discounted cash flows of expected cashflows to satisfy the obligations using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy (see Note 23(i)) due to the unobservable inputs, including own credit risk.

### 14. BORROWINGS

### Secured liabilities and assets pledged as security

Debentures, bank overdrafts and bank loans are secured by a floating charge over the assets of the Shire of Wongan-Ballidu. Other loans relate to transferred receivables. Refer to Note 5.

### SIGNIFICANT ACCOUNTING POLICIES Borrowing costs

The Shire has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Borrowings fair values are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the unobservable inputs, including own credit risk.

### Risk

Details of individual borrowings required by regulations are provided at Note 26(a).

Provision is made for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave and associated on costs for services rendered up to the reporting date and recorded as an expense during the period the services are delivered.

Annual leave liabilities are classified as current, as there is no unconditional right to defer settlement for at least 12 months after the end of the reporting period.

### SIGNIFICANT ACCOUNTING POLICIES

### **Employee benefits**

The Shire's obligations for employees' annual leave, long service leave and other employee leave entitlements are recognised as employee related provisions in the Statement of Financial Position.

### Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

### Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

### **Related Parties**

### The Shire's main related parties are as follows:

### i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any council member, are considered key management personnel and are detailed in Notes 20(a) and 20(b)

### ii. Other Related Parties

Outside of normal citizen type transactions with the Shire, there were no other related party transactions involving key management personnel and/or their close family members and/or their controlled (or jointly controlled) entities.

### iii. Entities subject to significant influence by the Shire

There were no such entities requiring disclosure during the current or previous year.

### 21. JOINT ARRANGEMENTS

### Share of joint operations

The Shire together with the Department of Communities have a joint operational agreement with regard to the ownership of four housing units in Quinlan Street and two housing units in Patterson Street, Wongan Hills.

### The Shire's interest in the joint operations are as follows:

Quinlan Street Units: 12.81% Patterson Street Units: 11.22%

### SIGNIFICANT ACCOUNTING POLICIES

### Joint operations

A joint operation is a joint arrangement where the Shire has joint control with two or more parties to the joint arrangement. All parties to joint arrangement have rights to the assets, and obligations for the liabilities relating to the arrangement.

Assets, liabilities, revenues and expenses relating to the Shire's interest in the joint operation are accounted for in accordance with the relevant Australian Accounting Standard.

### 22. EVENTS OCCURRING AFTER THE END OF THE REPORTING PERIOD

There we no events occurring after the balance date that have a significant effect on the financial statements.

### 23. OTHER SIGNIFICANT ACCOUNTING POLICIES

### a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

### b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

### c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

### d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Shire applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) Statement of Financial Position as at the beginning of the preceding period in addition to the minimum comparative financial report is presented.

### e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

### f) Superannuation

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

### g) Fair value of assets and liabilities

Fair value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

### h) Interest revenue

Interest revenue is calculated by applying the effective interest rate to the gross carrying amount of a financial asset measured at amortised cost except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

### i) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

### Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

### I aval

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

### Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

### Valuation techniques

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or more of the following valuation approaches:

### Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

### Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

### Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

### j) Impairment of assets

In accordance with Australian Accounting Standards the Shire's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

### Key to ratings

The Ratings in this management letter are based on the audit team's assessment of risks and concerns with respect to the probability and/or consequence of adverse outcomes if action is not taken. We give consideration to these potential adverse outcomes in the context of both quantitative impact (for example financial loss) and qualitative impact (for example inefficiency, non-compliance, poor service to the public or loss of public confidence).

- Significant Those findings where there is potentially a significant risk to the entity should the finding not be addressed by the entity promptly. A significant rating could indicate the need for a modified audit opinion in the current year, or in a subsequent reporting period if not addressed. However even if the issue is not likely to impact the audit opinion, it should be addressed promptly.
- **Moderate -** Those findings which are of sufficient concern to warrant action being taken by the entity as soon as practicable.
- **Minor -** Those findings that are not of primary concern but still warrant action being taken.

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023 FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 1. Fair Value of Land and Building Assets - Frequency of Valuations

### **Finding**

The Shire has not performed an assessment to determine whether its Land and Building assets represent fair value.

Rating: Moderate

### **Implication**

Without a robust assessment of fair value of the Shire's Land and Building Assets there is a risk that the fair value of Land and Buildings assets may not have been assessed adequately and in compliance with AASB 13 Fair Value Measurement, as well as Regulation 17A(4)(b) of the Local Government (Financial Management) Regulations 1996 (the Regulations).

### Recommendation

The Shire considers implementing as part of the preparation of financial statements a formal robust process to determine whether indicators exist annually, that would trigger a requirement to perform a formal revaluation of Land and Buildings Assets. Where indicators exist a robust fair value assessment should be performed capturing the requirements of AASB 13 Fair Value Movements. This process is to ensure that the Shire's Land and Building assets are recorded at fair value in compliance with AASB 13 Fair Value Measurement and the Regulations.

This may entail obtaining relevant input from an independent valuer as to whether or not they consider there are any prevailing market factors which may indicate that the fair values of relevant assets are likely to have been impacted to any significant / material extent from the prior year. Where a fair value assessment has been performed internally the Shire may consider having this assessment peer reviewed by an independent valuer to obtain assurance over the valuation methodology applied, inputs and the reasonableness of the valuation model applied.

### **Management comment**

The Shire had a complete land and buildings valuation undertaken by an external valuation expert for 30 June 2022. Given there was no impairment to any of the Shire's land or building assets in the 2022-23 financial year, management is confident that the carrying values in the asset register are accurate for 30 June 2023. Management provided a memo for Fair Value Assessments which included the above comment.

In addition to this, whilst not legislated for the financial year ended 30 June 2023, the Local Government (Financial Management) Regulations 1996 will be amended to include that local governments will not be required to undertake fair value assessments in non-revaluation years. There is little value to the users of the financial statements that an annual revaluation of non-current fixed assets provides.

### SHIRE OF WONGAN-BALLIDU PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023 FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 2. Excessive Superuser Access

### **Finding**

The Shire has excessively granted superuser access to many users.

Rating: Significant

### **Implication**

The presence of five superuser accesses, including the CEO, DCEO, FO, Payroll officer, and work manager, poses a significant risk of unauthorised access and potential security breaches. This wide distribution of superuser privileges increases the likelihood of sensitive information being accessed or manipulated by individuals who may not require such elevated permissions for their regular tasks.

### Recommendation

Access to superuser privileges should be strictly based on a "need-to-know" basis. The Shire should conduct a thorough access review and re-evaluate the necessity of superuser privileges for each mentioned role. This process will help minimise the risk of unauthorised access and enhance the security posture of the Shire's systems and sensitive data.

### Management's comments

Management does not agree with the rating assessed against this finding.

The Shire only has three (3) active superusers (CEO, DCEO, Finance Officer) in the Synergysoft system. The DCEO is the responsible user for making changes to user access and permissions. However, in the instance of the DCEO being on extended leave, the responsibility would fall to the Finance Officer.

As a minimum of two (2) superusers are required in instances of leave, management does not agree that having three (3) superusers is excessive.

Notwithstanding the above, as the Shire is currently transitioning to a new ERP system, all access and permission levels will be thoroughly reviewed as part of this to ensure minimal superuser access is allocated.

Responsible person:

Deputy Chief Executive Officer

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023 FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 3. Related Party Disclosure Form

### **Finding**

We observed that in 1 instance, a Related Party Disclosure form was not signed and submitted by the deadline of 31 August 2023.

Rating: Moderate

### **Implication**

The absence of signed Related Party Disclosure forms submitted by the due date raises concerns about the accuracy and completeness of related party transactions. Without proper documentation and acknowledgment by the Councillors and KMP, there is a risk that related party transactions may not be appropriately identified and disclosed in the financial records.

### Recommendation

It is recommended that the Shire implement measures to ensure that Related Party Disclosure forms are promptly signed and submitted by Councillors and KMP for all relevant transactions by the due date of 31 August. This step is crucial in enhancing transparency and compliance with accounting standards.

### Management comment

Management accepts this finding and will endeavour to ensure timely receipt of related party disclosures and annual returns in future financial years.

Management made every possible attempt to follow-up with outstanding returns and disclosures before the deadline and records were kept of this. Unfortunately, management cannot control individuals completing these returns to the nth degree.

Responsible Person:

Chief Executive Officer

**Completion Date:** 

30 June 2024

SHIRE OF WONGAN-BALLIDU
PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023
FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 4. IT Governance

### **Finding**

The Shire has not implemented a comprehensive framework of IT-related policies, nor does it have a comprehensive IT strategic plan in place and procedures. The shire also lacks a comprehensive system for classifying IT assets based on their sensitivity and criticality levels.

Rating: Moderate

### Implication:

The Shire's lack of established IT policies and procedures creates inconsistency and security vulnerabilities. Without an IT strategic plan, resource allocation becomes ad-hoc, hindering efficiency and goal achievement. Failure to classify IT assets by importance may misallocate resources, increasing the risk of security breaches for critical assets.

### Recommendation:

To enhance IT governance, the Shire should develop and implement comprehensive IT policies covering data security, access control, password management, backup plans, incident response, and system maintenance. Simultaneously, creating an IT strategic plan aligned with business objectives will optimize resource allocation and long-term goal achievement. Implementing an asset classification framework, based on sensitivity and criticality assessments, will ensure effective security resource allocation, including access controls and monitoring protocols, all subject to regular updates to adapt to evolving needs and risks. This proactive approach will mitigate security risks efficiently.

### Management's comments

The Shire is currently engaged (preliminary) with its ICT service provider to develop an allencompassing Strategic ICT Plan. As the Shire is currently transitioning to a new ERP system, this has meant the development of this plan has been placed on hold due to changes in business systems and processes that will ultimately impact the contents of the plan.

Management will be seeking to secure budgetary approval from Council in the 2024/25 annual budget to have the plan developed.

Responsible person:

Deputy Chief Executive Officer

**Completion date:** 

31 December 2024

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023 FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 5. No Business Continuity Plan and Disaster Recovery Plan

### **Finding**

The Shire currently lacks a structured and comprehensive business continuity plan (BCP) and a well-defined disaster recovery plan (DRP) to address potential disruptions or catastrophic events.

Rating: Moderate

### Implication:

Without BCP and DRP, the Shire is vulnerable to extended downtime, data loss, financial setbacks, and potential legal and regulatory consequences. These plans are essential safeguards for the Shire's resilience and continued success in the event of unforeseen disasters or disruptions.

### Recommendation:

The Shire should establish a Business Continuity Planning (BCP) and Disaster Recovery Planning (DRP). This involves creating comprehensive strategies for maintaining essential operations in the face of disruptions.

### Management's comments

The Shire is currently engaged (preliminary) with its ICT service provider and ERP supplier to develop both a Business Continuity Plan (BCP) and Disaster Recovery Plan (DRP). As the Shire is currently transitioning to a new ERP system, this has meant the development of these plans has been placed on hold due to changes in business systems and processes that will ultimately impact the contents of these plans.

Management will be seeking to secure budgetary approval from Council in the 2024/25 annual budget to have these plans developed.

Responsible person: Chief Executive Officer/Deputy Chief Executive Officer

Completion date: 31 December 2024

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023
FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 6. Lack of IT Risk register and periodic meetings for managing cybersecurity risks

### **Findings**

There is no IT risk register in place to identify potential risks. The Shire also does not regularly convene meetings to address and oversee cybersecurity risks.

Rating: Moderate

### Implication:

The absence of an IT Risk register means that the Shire is not proactively identifying, assessing, and mitigating risks, leaving it vulnerable to unexpected threats. The lack of regular cybersecurity risk management meetings suggests insufficient attention to monitoring, addressing, and adapting to evolving cybersecurity threats.

### Recommendation:

The Shire should develop and maintain an IT risk register to identify, assess, and prioritise potential risks. This will enable proactive risk management and mitigation strategies. The Shire should organise regular cybersecurity risk management meetings to assess current risks, discuss mitigation strategies, and stay updated on emerging threats and best practices.

### Management's comments

The Shire is currently in the process of a complete risk register review and update and will be utilising external contractors to assist with this process. Management holds a monthly risk meeting to discuss and document any risks the organisation faces. A specific topic of this meeting is cyber risk and management has already begun to implement improvements in this area.

The Shire was party to LGIS' Cyber Security Pilot Program in the 2022/23 financial year and this assessed the Shire against the Essential Eight. It was identified that the Shire's Essential Eight maturity level was below an acceptable standard and the Shire commenced working with its ICT service provider to make improvements to cyber security. Multifactor authentication is fully implemented at the Shire now and a number of other improvements have been deployed. This part of an ongoing cyber risk and business improvement initiative.

Responsible person: Chief Executive Officer/Deputy Chief Executive Officer

Completion date: 31 December 2024

PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023 FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 7. No change management process in place for changes to IT systems

### **Findings**

There is currently a lack of a structured change management process established within the Shire.

Rating: Moderate

### **Implication**

The lack of a change management process may result in uncontrolled changes to IT systems, increasing the risk of system disruptions and security vulnerabilities.

### Recommendation

The Shire should establish a formal change management process to document, review, and approve all changes to IT systems. This will help minimise disruptions and maintain system integrity.

### Management's comments

Management agrees with the recommendation provided and will develop a formal change management process document.

### SHIRE OF WONGAN-BALLIDU PERIOD OF AUDIT: YEAR ENDED 30 JUNE 2023

### FINDINGS IDENTIFIED DURING THE FINAL AUDIT

### 8. Excessive Annual Leave balance

### **Finding**

During our review we identified 2 out of 53 employees who have an annual leave accrued balance in excess of 300 hours as at 30 June 2023.

We note management have processes in place to identify and monitor staff that have accrued excessive annual leave balances and have taken appropriate action.

### Rating: Minor

### **Implication**

Excessive accrued annual leave balances increase the risk of an adverse impact through excessive financial liabilities and may also indicate over-reliance on key individuals. As well as managing leave liabilities, it is important for staff to take regular leave for their health and wellbeing, and to develop staff to perform the tasks of others. In addition, fraud can be more easily concealed by staff who do not take leave.

### Recommendation

The Shire should continue to monitor and manage excessive leave balances to reduce the financial liability, risk of business interruption and fraud.

### Management's comments

Management have also identified this issue and leave plans have been developed to ensure these employees can take adequate annual leave to reduce their balances and the Shire's leave liability.

### **PURPOSE OF REPORT:**

The purpose of this report is to provide sufficient information summarising the results of the submissions called for one new Community Transport Vehicle (CTV) for the 2023-2024 financial year to enable Council to award the contract for this service.

### **BACKGROUND:**

As the Shire's proposed plant replacement programme for the 2023-2024 financial year exceeds \$70,000.00 it was necessary to call individual pricing for the service and disposal of the existing asset by way of auction.

This process was carried out via email requests.

The submission called for a new 12-seater bus reduced to a minimum 10-seater with a wheelchair position.

### **COMMENT:**

We have received 3 responses for the new CTV Bus for the 2023-2024 budget. Information below:

#### **Toyota Hiace Commuter**

Example of Vehicle

- Turbo Diesel
- Automatic Transmission
- Wheelchair Position conversion supplied by Accessible Transit Perth

#### Concerns

• 5 Passenger plus driver with one wheelchair position

#### **LDV Deliver 9**

Example of Vehicle

- 2.0L Turbo Diesel
- Automatic Transmission
- 12-Seater/ 10-seater plus 1 x Wheelchair Position
- Hill Hold Assist
- Reverse Parking Sensors

• 12 Month lead time on order plus 1-to-2-month conversion time

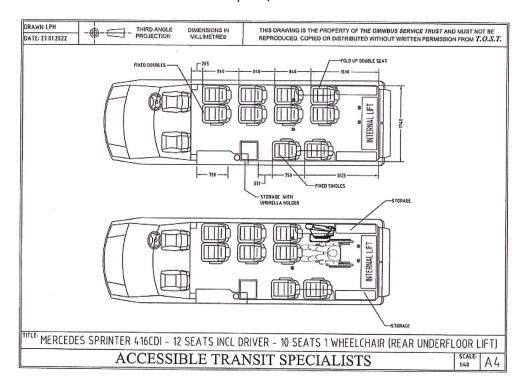

#### Concerns

• Wheelchair conversions have not been installed previously by suppliers contacted by The Shire.

#### **Mercedes Sprinter**

Example of Vehicle

Internal Layout

• 2.0L Turbo Diesel

- Automatic Transmission
- Hill Start Assist
- Blind Spot Assist
- Lane Keeping Assist
- Attention Assistant
- Stabilisation Level
- 13–18-month lead time on order plus 1-to-2-month conversion time.

#### Concerns

- Financial Please see below.
- Lead time supply

#### CONCLUSION

The staff's assessment indicates that all three options are considered viable, but the reduced capacity of the Toyota Hiace makes it less suitable when aiming for a direct replacement. The City of Stirling currently utilises this vehicle for their smaller group needs, effectively meeting their specific requirements.

The LDV option raises uncertainties, particularly regarding the installation of a wheelchair position.

From the staff's perspective, the Mercedes option emerges as the most favourable choice to meet the specified criteria. The City of Stirling has successfully incorporated a fleet of these buses into their community program, expressing high satisfaction with the vehicles. This option effectively caters to their needs for accommodating larger groups.

Staff sought feedback from the RSL, due to their original involvement for the purchase of the existing vehicle. The RSL has now disbanded in Wongan Hills, and they feel there is no longer a need for their involvement in such a purchase. Despite this, they acknowledge the Shire's need for an upgrade and express gratitude for the Shire reaching out to them on this matter.

#### **PURPOSE OF REPORT:**

To seek Council's approval to request to the Minister for Lands to close a portion of unmade road reserve approx. 1.5829 ha adjoining Lot 1276 (CT1368/443).

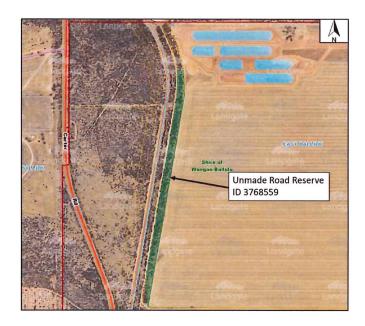

#### **BACKGROUND:**

The Shire of Wongan Ballidu received correspondence from CBH Group to request the closure of a portion of unmade road reserve opposite the railway line and adjoining Lot 1276 Ballidu South-East Road, Ballidu.

#### **COMMENT:**

During the past six years CBH have expanded their operations and installed several new open bulk heads on Lot 1276 Ballidu South-East Road, Ballidu.

The closure of the unmade road reserve will give CBH the support for the future Ballidu rail and site expansion projects.

The closure of the unmade road reserve will not impact traffic as they enter from the north east side of the paddock on Ballidu South-East Road, Ballidu.

Lot 1276 Ballidu South-East Road, Ballidu is not owned by CBH and the current owners have been contacted in line with legislative requirements. The owners of the neighbouring property were approached to purchase the portion of unmade road reserve. The property owner did not wish to purchase this land and in turn offered it to CBH.

At the June 2023 Council meeting, Council approved to advertise a notice of road closure. Submissions closed on Monday 18 December 2023, no submissions were received.

#### **PURPOSE OF REPORT:**

To seek Councils permission to approve a request from Dr Ajit Chaurasia (Dr Ajit) of the Wongan Hills Medical Centre for Council to provide free accommodation for a second Registrar.

#### **BACKGROUND:**

Dr Ajit has requested that Council provide to him for the purposes of employing a second Registrar free accommodation.

Council have previously agreed to provide free accommodation to the first Registrar.

#### **COMMENT:**

In August 2019 Council entered into an agreement with Dr Ajit to operate the Wongan Hills Medical Centre. Part of the agreement with the doctor is to provide him/her with free accommodation. The Shire maintains gardens. The Doctor pays outgoings.

In 2020 Council were approached by Dr Ajit to provide free accommodation for the first Registrar. Council agreed to provide free accommodation for the first Registrar (tenant). The tenant maintains gardens and pays outgoings. The financial loss to Council for the 3 bedroom unit per annum is \$12,064.00.

During a meeting with the CEO, Dr Ajit requested Council to provide free accommodation for a second Registrar.

We have available Unit 2/20 Stickland St, Wongan Hills, which is a one bedroom unit. The current rental amount as per Councils fees and charges for 2023/2024 is \$132.00 per week. The financial loss to Council for the remainder of 2023/2024 financial year will be approximately \$3,168.00.

**APPLICANT/PROPONENT:** Ross Rayson-Manager of Community Services

OFFICER DISCLOSURE OF INTEREST: Nil PREVIOUS MEETING REFERENCES: Nil

**AUTHOR:** Ross Rayson-Manager of Community Services

ATTACHMENTS: CONFIDENTIAL

#### **PURPOSE OF REPORT:**

The purpose of this report is to seek approval to award the contract for consultancy services following the close of submissions for a consultant to undertake community engagement and design works for the Community Park redevelopment.

#### **BACKGROUND:**

In November 2023, Council called for submissions to undertake community consultation and design for the redevelopment of the Community Park. This call for submissions was managed via the WALGA Preferred Supplier Program and closed on December 13, 2023.

#### **COMMENT:**

At the close of submissions, one response to the Scope of Works was received. This submission was from Emerge Associates' a Perth based Landscape Architectural and environmental consultancy practice.

Emerge Associates provided a very strong submission, demonstrated a good understanding of the project requirements, have a very experienced team and significant relevant project experience throughout metropolitan and regional Western Australia.

The submission from Emerge Associates is available as a confidential attachment to this agenda.

Council has budgeted \$25,000 in the 2023/24 budget for this project. The price quoted by Emerge Associates for this project is \$32,605.00 (ex GST).

#### **POLICY REQUIREMENTS:**

• Purchasing and Procurement Policy - to deliver a best practice approach and procedures for the internal purchasing of the Local Government.

#### **LEGISLATIVE REQUIREMENTS:**

There are no legislative requirements in relation to the item.

#### STRATEGIC IMPLICATIONS:

This project is in line with Council's strategic theme "Our Place-The Shire is a vibrant place to work, trade, visit and call home" and strategies:

- Creating welcoming spaces for community and visitors in our Town centres.
- Enhance the accessibility of paths and facilities for people of all ages and abilities.

#### SUSTAINABILITY IMPLICATIONS:

#### **Environment**

There are no known environmental implications associated with this item.

#### **Economic**

There are no known economic implications associated with this item.

#### > Social

There are no known social implications associated with this item.

#### **FINANCIAL IMPLICATIONS:**

As the submission is above the listed budget amount, Council has several options going forward with this project:

- 1. Amend the scope of works and readvertise.
- 2. Negotiate with the consultant to adjust the scope to fit the existing budget.
- 3. Approve a budget amendment of \$7,605.00 to allow for the total cost of the project as quoted.

To enable Council to be able to approve final designs for the park in line with budget considerations for the 2024/25 Financial year, amending the scope of works and readvertising is not a preferred option.

Similarly, negotiating with the preferred consultant to adjust the Scope of Works to fit the budget is not a preferred option, as it may not provide the preferred outcome to the project that Council; is seeking.

The preferred option is for Council to authorise a budget amendment, of \$7,605.00 to cover the shortfall.

#### **VOTING REQUIREMENTS:**

#### **ABSOLUTE MAJORITY REQUIRED: No**

#### MOVED: Cr STARCEVICH SECONDED: Cr BOEKEMAN

#### That Council

- 1. APPOINT Emerge Associates as contract consultant for the Wongan Hills Community Park Redevelopment Design
- 2. APPROVE expenditure of \$32,605.00 with budget shortfall to be funded from recognised savings in the upcoming budget review.
