Ms Cummins, Mr & Mrs Chasland left the meeting at 3.30pm.

Item 3. PUBLIC QUESTION TIME

Mrs Chasland spoke about the need to look at changing the opening times of the Wongan Hills Memorial Swimming Pool. Ms Cummings agreed with her sentiments. Points of concern were about the amount of seniors or people you have had spinal/knee surgeries where physical activity could not be achieved but swimming was the only way they could exercise and extending the time in the morning by another hour due to the warmth of the day and the length of time they would need the pool for.. Mr Chasland questioned the admission fee, along with shorter hours.

The Shire President took the questions on notice.

PURPOSE OF REPORT:

That Council nominate its representatives to various organisations and committees.

BACKGROUND:

Following the recent local government elections, Council is required to renominate representatives to each of the organisations and committees that it has representation on.

COMMENT:

The list of organisations and committees is based on the previous year and may require additions and/or deletions.

The Avon Midland Zone of the Western Australia Local Government Association (WALGA)

Zone Delegates are elected or appointed to represent their Council on the Zone and make decisions on their Council's behalf at the regional level. In fulfilling their role as Council's representative, the Zone Delegate should give regard to their Council's positions on policy issues. There is also an expectation that Zone Delegates will report back to their Council about decisions made by the Zone.

Regional Road Group (RRG)

There are 10 Regional Road Groups (RRG) in WA, established under the State Road Funds to Local Government Agreement which is overseen by a State Advisory Committee (SAC). The RRGs make recommendations to the SAC regarding the Annual Local Government Roads Program for their Region and any other relevant issues.

The RRGs are comprised of elected representatives from each Local Government within the road group. Most groups are supported by a sub-group or technical committee comprised of Local Government staff. Administrative support is provided by Main Roads WA. RRGs importantly provide Local Government with a voice in how the State Government's contribution to local roads is spent. RRG members serve a vital and valuable role in ensuring road funding decisions

maximise community benefits and preserve and improve the public road network across Western Australia.

PURPOSE OF REPORT:

To nominate four elected members of the Council, comprising two local members and two alternate local members to sit on a local Development Assessment Panels (DAP) as required.

Nominations are to be submitted to the Department of Planning, Lands and Heritage by 24 November 2023.

BACKGROUND:

As a key component of planning reform in Western Australia, Development Assessment Panels (DAPs) are intended to enhance planning expertise in decision making by improving the balance between technical advice and local knowledge.

Local representation is a vital component of the Development Assessment Panel (DAP). Local members are members of a local government council who are nominated by that local government to sit on a DAP. The relevant local government will be responsible for nominating four local government representative members from the local government's pool of elected members (councillors). Two (2) councillors will be local members, and two (2) deputy local members to be called on if an issue of quorum arises. The Minister will appoint the local government representatives in accordance with the local government's nomination.

Should the local government fail to nominate four (4) representatives, the Minister has the power to appoint two alternative community representatives to ensure local representation is always present on a panel. The regulations require that these alternate representatives are residents of the local area and have relevant knowledge or experience that, in the opinion of the Minister, will enable them to represent the interests of their local community.

Alternate members

There will be alternate (deputy) members for local members and specialist members. Alternate (deputy) members will be used when an issue of quorum arises or when a Development Assessment Panel (DAP) member is unable to act by reason of illness, absence or other cause. Deputy local

members cannot sit in the place of specialist members, just as deputy specialist members cannot sit in the place of local members.

All existing local government DAP members are currently appointed for a term ending 26 January 2024.

Under regulation 24 of the Planning and Development (Development Assessment Panels) Regulations 2011 (DAP Regulations), Council is requested to nominate four (4) elected members of the Council, comprising two local members and two alternate local members to sit on the respective DAP as required, following the local government elections.

Nominees will be required to provide name, address, and email, telephone numbers, date of birth, employer(s), position(s).

Following receipt of all local government nominations, the Minister will consider and appoint local government DAP members for the term ending 26 January 2026. All appointed local members will be placed on the local government member register and advised of DAP training dates and times. It is a mandatory requirement, pursuant to the DAP regulations, that all DAP members attend training before they can sit on a DAP and determine applications. Local government members who have previously undertaken training are not required to attend further training but are encouraged to attend refresher training.

When selecting nominees, the Council should consider that local government elections may result in a change to DAP membership if current Councillors, who are DAP members, are not re-elected, Council will need to re-nominate for the Minister's consideration. DAP members are entitled to be paid for their attendance at DAP meetings and training, unless they fall within a class of persons excluded from payment. Further details can be found in the *Premier's Circular – State Government Boards and Committees Circular (2010/02)*.

1. Name

The Committee will be referred to as the "Shire of Wongan-Ballidu Local Emergency Management Committee" (LEMC).

2. Purpose

The purpose of the LEMC is to work collaboratively with relevant stakeholders to identify and mitigate emergency risks and hazards within the Shire of Wongan-Ballidu (Shire). The LEMC will liaise with representatives from hazard management agencies, local support organisations, and various other industry personnel, to collectively build a resilient community that is prepared to respond and recover from an emergency.

3. Objectives

- Develop local emergency management arrangements [LEMA] that are practical to all stakeholders and service agencies.
- Ensure that LEMA are contemporary and relevant to the community and addresses all possible risks and scenarios.
- Participate in inter-local government relations to further emergency management cooperation within the emergency management district.
- Build resilience and engage with the community through safety and awareness campaigns, and by disseminating information through social media, media outlets, and public events.
- Participate in interagency training exercises that improve the capabilities and knowledge of the LEMC, local stakeholders, and hazard management agencies.

- Exercise the LEMA to test their effectiveness in practical applications, and actively strive for continuous improvement.
- Share meeting minutes, committee member experiences and proposed actions with local government elected members, State agencies and the local community.
- Strategise ways to mitigate potential emergencies and to improve recovery arrangements.

4. Duties and Responsibilities

- Advise and assist the Shire of Wongan-Ballidu in ensuring that LEMA are established for its district.
- Liaise with public authorities and other persons in the development, review and testing of LEMA.
- Carry out other emergency management activities as directed by the State Emergency Management Committee or prescribed by the regulations.
- Perform at least one emergency training exercise a year to assist in improving the capabilities of their community to prepare for, respond to and recover from emergencies.
- After the end of each financial year, LEMC is to prepare and submit to the District Emergency
 Management Committee an annual report on activities undertaken by the LEMC during the
 financial year.

5. Membership

- Guests may be invited to attend committee meetings as determined by the LEMC Executive Officer, in consultation with the LEMC Chair.
- Each voting member should nominate a proxy to the Executive Officer within their agency or organisation to attend if the appointed member is absent.
- Non-attendance at meetings of voting members without a justifiable apology, or that have not been represented by their proxy will be asked to provide an explanation to the Chairperson.
 Repeated non-attendance may result in the Chairperson notifying the District Emergency Management Committee.
- Members representing agencies and organisations that can no longer participate in the committee should advise the Executive Officer of their resignation and nominate an alternative representative for membership.
- Committee membership will be reviewed at each meeting by the LEMC Executive
- New members may join the LEMC via resolution of the committee.

6. Meeting Management

AUTHOR: Sam Dolzadelli - Acting Chief Executive Officer

ATTACHMENTS: 9.2.2 Financial Reports

9.2.3 Financial Health Check

PURPOSE OF REPORT:

The purpose of this report is to present to Council the Monthly Financial Report (containing the Statement of Financial Activity by Nature) for the month ended 30 September 2023. The Capital Works report has been incorporated into this. A monthly financial health check has been appended to the report to give an overview of how the Shire is tracking against some key financial indicators.

BACKGROUND:

Under section 6.4(1) of the *Local Government Act 1995*, a local government is required to prepare an annual financial report for the proceeding financial year and such other financial reports as are prescribed. Part 4 of the *Local Government (Financial Management) Regulations 1996* prescribes the minimum contents of the Monthly Financial Report.

Below is the prescribed contents of the Monthly Financial Report.

Regulation 34 - Statement of Financial Activity

- (1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for the previous month (relevant month) in the following detail:
 - (a) annual budget estimates; and
 - (b) budget estimates to the end of the relevant month (YTD Budget); and
 - (c) actual amounts of expenditure, revenue and income to the end of the relevant month (YTD Actual); and
 - (d) material variances between the comparable amounts (YTD Actual YTD Budget); and
 - (e) the net current assets at the end of the relevant month and a note containing a summary explaining the composition of net current assets.

- (2) Each statement of financial activity is to be accompanied by documents containing
 - (a) (removed)
 - (b) an explanation of each of the material variances referred to in subregulation (1)(d); and
 - (c) such other supporting information as is considered relevant by the local government.
- (3) The information in a statement of financial activity must be shown according to nature classification.
- (4) A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be
 - (a) Presented at an ordinary meeting of the council within 2 months after the end of the relevant month; and
 - (b) Recorded in the minutes of the meeting at which it is presented.
- (5) Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.

Regulation 35 – Statement of Financial Position

- (1) A local government must prepare each month a statement of financial position showing the financial position of the local government as at the last day of the previous month (the **previous month**) and
 - (a) The financial position of the local government as at the last day of the previous financial year; or
 - (b) If the previous month is June, the financial position of the local government as at the last day of the financial year before the previous financial year.
- (2) A statement of financial position must be
 - (a) Presented at an ordinary meeting of the council within 2 months after the end of the previous month; and
 - (b) Recorded in the minutes of the meeting at which it is presented.

STRATEGIC IMPLICATIONS:

There are no strategic implications relating to this item.

SUSTAINABILITY IMPLICATIONS:

Environment

There are no known environmental impacts associated with this proposal.

Economic

There are no known economic impacts associated with this proposal.

Social

There are no known social implications associated with this proposal.

FINANCIAL IMPLICATIONS:

Material variances are disclosed in the Statement of Financial Activity.

As part of the adopted 2023/24 Budget, Council adopted the following thresholds as levels of material variances for financial reporting.

In accordance with regulation 34 (5) of the Local Government (Financial Management) Regulations 1996, and AASB 1031 Materiality, the level to be used in statements of financial activity in 2023/24 for reporting material variances shall be:

- (a) 10% of the amended budget; or
- (b) \$10,000 of the amended budget.

whichever is greater. In addition, that the material variance limit be applied to total revenue and expenditure for each nature classification and capital income and expenditure in the Statement of Financial Activity.

The financial reports for the period ending 30 September 2023 are attached to the Council Agenda.

COMMENT:

This report presents the Statement of Financial Activity by nature or type for the period ended 30 September 2023.

Rates

Rates notices were issued with an effective issuance date of 7 August 2023. As at 30 September 2023, the Shire had receipted \$2,718,969 in rates, ESL and rubbish charges. Due date for payment in full, or first instalment was 11 September 2023. As at 30 September 2023, the gross amount of rates, ESL and rubbish charges outstanding (including arrears, legal charges and interest) is \$800,046 and of this amount \$37,346 is made up of deferred pensioner rates. Total outstanding equates to 22.82% of the brought forward arrears and current year billing. Final notices were issued on 18 September 2023, giving ratepayers 14 days to pay any amount outstanding if they were not paying by instalments. Further debt recovery progress will be provided in the next monthly financial report.

Capital Works

As at 30 September 2023 the Shire has incurred \$501,447 in actual expenditure on capital works projects against a current budget of \$8,920,501 representing 5.6% of the budgeted works.

Depreciation

Depreciation for the 2023/24 financial year has not yet been processed as the Shire is awaiting the final audit of the Annual Financial Report to be undertaken. As depreciation is a non-cash item, it does not impact the Shire's surplus position.

Other

Attention is drawn to the actual opening surplus figure for 1 July 2023 of \$2,744,736 against the budgeted opening surplus of \$2,713,397. This is an increase in the budgeted opening surplus of \$31,339. Whilst management is confident in the accuracy of the actual opening surplus, this is still to be audited and as such no additional brought forward surplus will be allocated until the budget review.

Shire of Wongan-Ballidu Variance Report 30 September 2023

The Local Government (Financial Management) Regulations 1996 require that financial statements are presented monthly to council. Council has adopted 10% as its threshold for line items on the Statement of Financial Activity by nature shown on page 1. This report uses a traffic light system to flag those items that are within tolerance and others that fall out of the range. Variances are calculated using a comparison of year to date actual against year are a period when variance percentages are volatile and extremely sensitive to small movements in actual income and expenditure.

Financial health indicators

How are we tracking against our budgeted targets?

Adjusted Operating Surplus

A measure of the Shire's ability to cover its operational costs including depreciation and have funds left over to cover capital expenditure (including principal loan repayments) without relying on debt or reserves.

Adjusted operating surplus and self-sufficient ratios are high in the earlier part of the year due to rates being fully billed in August. However, as the year progresses, operating expenditure will continue to draw on this revenue source reducing to target by 30 June 2024.

Asset Sustainability Ratio

Measures if the Shire is replacing or renewing existing non-financial assets at the same rate that its overall asset stock is wearing out.

• Cannot be calculated until depreciation is processed, which will not occur until December/January once the final audit is completed.

REPORT DATE: 17 September 2023 **APPLICANT/PROPONENT:** Shire of Wongan-Ballidu

OFFICER DISCLOSURE OF INTEREST: Nil PREVIOUS MEETING REFERENCES: Nil

AUTHOR: Stephen Casey - Manager of Works and Services

ATTACHMENTS: NIL

PURPOSE OF REPORT:

This agenda item pertains to the suggested installation of new entrance statements within the road reserve of the Northam-Pithara Road. Although the Northam-Pithara Road is not under the jurisdiction of The Shire of Wongan-Ballidu, the application process mandated by Main Roads (MRWA) necessitates approval from the Local Government. The agenda will encompass the rationale behind the signage, its planned design and placement, possible challenges that might emerge, and any requisite approvals.

BACKGROUND:

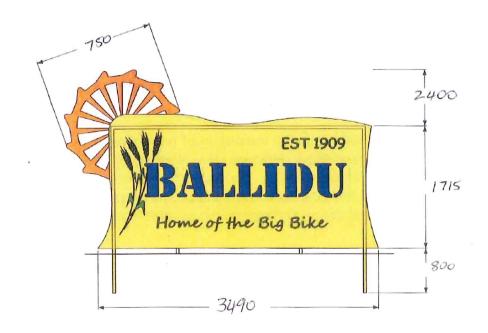

In September 2022, The Ballidu Progress Group presented a proposal to The Shire of Wongan-Ballidu during the Ballidu Council Meeting, suggesting the installation of entrance statements at both the southern and northern entrances to Ballidu. Given that the road reserve falls under the management of MRWA (Main Roads Western Australia), The Progress Group is obligated to seek permission from MRWA to install signage within their designated road reserve.

The Shire has taken the responsibility of facilitating the application process with MRWA on behalf of The Ballidu Progress Group. As part of the application process with MRWA, Local Government approval is necessary.

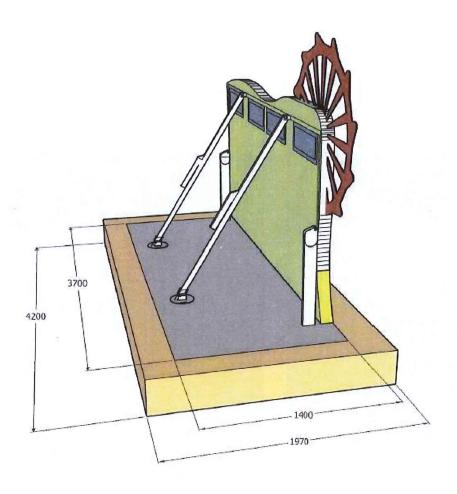

COMMENT:

The proposed signs are intended to bring advantages to The Ballidu Township. Since the management of the road reserve falls under MRWA, The Shire of Wongan-Ballidu will not bear any responsibility for the placement or continuous upkeep of the signs. The evaluation and determination of this matter rest solely with MRWA. Following the submission of the application, if MRWA grants approval, they will impose any necessary conditions as deemed appropriate.

An example of the signs can be seen below:

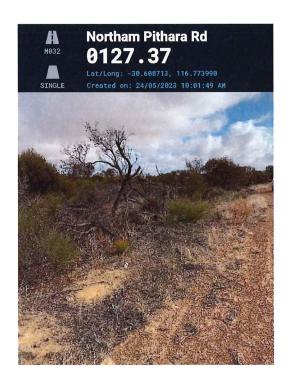

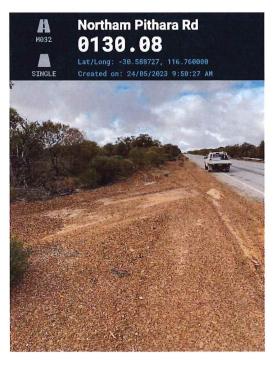

The signage will feature a rustic colour scheme, 3D lettering placed over the "Ballidu" section of the sign and include a limestone base with internal lighting to illuminate the sign's interior.

Ballidu Progress Group are proposing two (2) signs, one located south of town at SLK127.37 and one north of town at SLK130.08, subject to MRWA approval.

Considering the signs' size and non-fragile nature, they must be positioned 10 meters away from the white line along the bitumen verge.

CONCLUSION

Given that the agreement for the installation of the signage will involve the road reserve owner (MRWA) and the sign owner (The Ballidu Progress Group), The Shire of Wongan-Ballidu will not bear any specific responsibility or incur ongoing maintenance expenses.

PURPOSE OF REPORT:

To consider a request from the applicant to waive fees associated with the booking of the Wongan Hills Civic Centre, Park Place, Wongan Hills for the annual YouthCARE Carols by Candlelight.

BACKGROUND:

In 2022 Council waived the booking fee for the Wongan Hills Civic Centre for the annual YouthCARE Carols by Candlelight.

COMMENT:

A letter has been received 16 October 2023 from YouthCARE Wongan Hills-Ballidu requesting the fees to hire the Civic Centre be waived for their annual Carols by Candlelight event in December 2023.

The fee was waived in previous years and has a very minimal financial impact on the Shire's financial position.

The booking fee for the Wongan Hills Civic Centre is set by Council every financial year. This booking comes under 'Local Community (Not-for-profit) includes P&C Student Activities - No Door Fees Charged (No Alcohol) – Full Day (4 Hours +) for the amount of \$55.

12th October 2023

Wongan Ballidu Shire Quinlan St Wongan Hills WA 6603 RECEIVED
16 DET 2023

Dear Stuart and Shire Councilors,

Thank you so much for waiving the cost for the YouthCARE Carols by Candlelight last year. Our committee continues to organize the Community Christmas Carols / Carols by Candlelight for over 10 years.

The Civic Centre Courtyard is the perfect venue for this event, as it is slightly protected from the wind, means that small children are kept safe and the steps provide a perfect 'stage' for the musicians.

All of our organisers and our musicians are volunteers. Some years we are able to secure musicians from Perth and other years, our local community members kindly step up to share their musical skills to provide a lovely gathering for all who want to celebrate the music of Christmas. We don't charge for this event. Rotary provide reasonably priced and delicious hamburgers for dinner. Some years we have candles available for sale.

Our committee would like to ask you to consider waiving the cost of hiring the Lessor Hall for this community event again this year, which we are planning to hold on Sunday evening the 10th December.

Thank you for considering our request. May your Christmas be filled with joy, love and music.

Kind regards,

Karen Box Chairperson/Secretary YouthCARE Council, Wongan Hills

9.4.2 APPLICATION FOR DEVELOPMENT APPROVAL P537 – CHANGE OF USE LUNCH BAR LOT 33, NO. 7 ALPHA STREET, BALLIDU

FILE REFERENCE: P537/A1126

REPORT DATE: 16 October 2023 APPLICANT/PROPONENT: Wes Stevens

OFFICER DISCLOSURE OF INTEREST: NII PREVIOUS MEETING REFERENCES: NII

PURPOSE OF REPORT:

Consideration and final determination of an application for a Development Approval for a change of use to a 'Lunch Bar' for the former old Ballidu Fuel Station at 7 Alpha Street, Ballidu.

BACKGROUND:

The applicant is seeking Council's development approval for a change of use to open a Lunch Bar at Lot 33, 7 Alpha St, Ballidu.

Lot 33, 7 Alpha Street, Ballidu comprises a total area of approximately 0.1022 hectares. The property has two existing single buildings and an outbuilding. The single building facing Alpha Street, is where the Lunch Bar is proposed. Previously this was the old Ballidu Fuel Station.

Google Maps 16/10/2023

COMMENT:

The applicant is requesting permission to establish a Lunch Bar at No. 33, 7 Alpha Street, Ballidu, and has put forth the following proposals:

- 1. Offering pre-packaged items such as pies, pasties, cakes, sandwiches, and non-alcoholic beverages.
- 2. Suggested operating hours:
 - Monday, Wednesday, Friday: 8 am to 10 pm
 - Tuesday, Thursday, Saturday, Sunday: 12 noon to 10 pm
- 3. Indoor and alfresco dining options, including seating on the footpath against the wall to accommodate pedestrian traffic.

The Zone Objectives for the development and use of any land classified 'Rural Townsite' zone are as follows:

- To provide for a range of land uses that would typically be found in a small country town.
- To maintain a small-town atmosphere.

The establishment of a Lunch Bar in a small country town like Ballidu can have several potential benefits that contribute to maintaining a small-town feel and atmosphere:

- Community Gathering Place: It can serve as a central gathering spot for residents, offering a place to meet, socialise, and foster a sense of community.
- Increased Foot Traffic: The presence of a Lunch Bar can attract visitors and residents, potentially increasing foot traffic in the town centre, which can positively impact local businesses.
- Convenience: Offering pre-packaged products and dining options can provide convenience to the residence, reducing the need to travel to larger towns for basic food needs.
- Support for Local Producers: Lunch Bars often source ingredients locally, which can support local farmers and suppliers, strengthening the local economy.
- Enhanced Services: Providing access to non-alcoholic drinks and food items can be particularly helpful for residents and visitors who may not have other immediate options for such services.

Situated within the Ballidu townsite, the planned development is encompassed by residential properties and neighbouring small-town businesses, including the local agricultural supply shop including tyres, tavern, Post Office and the Ballidu Hall.

The minimum boundary setback for 'Rural Townsite' zone is:

- 6m from the front,
- 1.5m from the rear; and
- 1.5m from the side.

As this is an existing structure that was constructed prior to the local land planning schemes coming into place this clause is exempt.

Consultation

As this development falls under the 'A' use category as outlined in the Shire of Wongan Ballidu Local Planning Scheme No 5, it is required to follow the advertising requirements specified in section 64 of the Planning and Development (Local Planning Schemes) Regulations 2015, which have been met. The application was publicised by distributing letters to 62 landowners within the town of Ballidu. Additionally, a notice was published in the local newspaper, the *Wonga-Balli Boomer*. The advertising period for development applications extended for 14 days, commencing from October 4, 2023, and concluding on October 19, 2023.

During the consultation period, seven (7) submissions were received, with one of those not supporting the proposal.

The one submission who disagreed wasn't personally affected. They were more concerned about how the new development might affect nearby businesses and their income, not a case that can be considered.

Carparking

Section 4.8.5 of LPS5 states the following:

Car parking unless otherwise provided by the Scheme, all non-residential development is required to provide marked and onsite car parking. Local government shall determine car parking requirements having regard to the nature of the development, the number of vehicles likely to be attracted to the development and the maintenance of desirable safety, convenience, and amenity standards.

Given that the previous use of this site was a petrol station, a change of purpose would still necessitate customers to park and walk into the shop to access convenience items. It's important to acknowledge that this location serves both residential and commercial purposes, which exempts it from the aforementioned requirement.

Council has previously considered a development application in Fairbank Street, Ballidu where the condition to provide onsite parking as outlined in Section 4.8.5 of the LPS5 was over-turned. This has set a precedence for future development applications. It is fair to say that there is ample parking in Alpha Street, Ballidu to accommodate customers needs.

The development application has been assessed in consultation with the above documents and is subject to compliance with a number of conditions. As such it is recommended Council exercise its discretion and grant conditional approval to the application to ensure the development proceeds in accordance with the information and plans submitted in support of the proposal and the relevant standards and requirements of the Shire's local planning framework.

This development has been assessed as low risk and is recommended to be approved subject to conditions.

POLICY REQUIREMENTS:

There are no policy requirements in relation to the item.

LEGISLATIVE REQUIREMENTS:

Planning and Development Act 2015 Planning and Development (Local Planning Schemes) Regulations 2015 Shire of Wongan Ballidu Local Planning Scheme No. 5

STRATEGIC IMPLICATIONS:

There are no known strategic implications associated with this item.

SUSTAINABILITY IMPLICATIONS:

> Environment

There are no known environmental implications associated with this item.

> Economic

A centre of this nature would provide more visitors to the town of Ballidu providing economic benefit to local businesses.

Social

A centre of this nature would provide cultural and social benefit to the land and broader community.

FINANCIAL IMPLICATIONS:

There are no financial implications to Council in relation to this item. All costs associated with the proposed development are the responsibility of and will be met by the current landowner.

VOTING REQUIREMENTS:

ABSOLUTE MAJORITY REQUIRED: Yes

MOVED: Cr Coad SECONDED: Cr Chambon

That Council:

1. APPROVE the Development Application for the establishment of a Lunch Bar at Lot 33, 7 Alpha Street, Ballidu subject to the following conditions:

Conditions

1. Prior to Occupation the applicant shall submit a Food Registration Form for approval by the Environmental Health Officer.

Advice Note:

- 1. This approval is not an authority to ignore any constraint to development on the land which may exist through contract or on title, such as an easement, memorial or restrictive covenant. It is the responsibility of the applicant and landowner and not the Shire to investigate any such constraints before commencing development. This approval will not necessarily have regard to any such constraint to development, regardless of whether or not it has been drawn to the Shire's attention.
- 2. This is a development approval of the Shire of Wongan Ballidu under its Local Planning Scheme No. 5. It is not a building permit or an approval to commence or carry out development under any other law. It is the responsibility of the applicant/landowner to obtain any other necessary approvals, consents, permits and licences required under any other law, and to commence and carry out development in accordance with all relevant laws.
- 3. The applicant/landowner is reminded of their obligation to ensure compliance with the following requirements:
- 4. Shire of Wongan Ballidu Annual Firebreak Notice, all land zoned Residential, Rural Townsite and Commercial is required to reduce all annual grass and herbage to a height of no more than 75mm.
- 5. Shire of Wongan Ballidu Health Local Law
- 6. In accordance with the Building Act 2011 and Building Regulations 2012, a building permit application must be submitted to and approved by the Shire's Building Surveyor prior to the commencement of any construction or earthworks on the land.

- 7. The proposed dwelling is required to comply in all respects with the National Construction Code of Australia. Plans and specifications which reflect these requirements must be submitted to the Shire with the building permit application.
- 8. The noise generated by any activities on-site including machinery motors or vehicles shall not exceed the levels as set out under the Environmental (Noise) Regulations 1997.
- 9. Failure to comply with any of the conditions of this development approval constitutes an offence under the provisions of the Planning and Development Act 2005 and the Shire of Wongan Ballidu Local Planning Scheme No. 4 and may result in legal action being initiated by the local government.
- 10. If the applicant/landowner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with the Planning and Development Act 2005 Part 14. An application must be submitted within 28 days of the determination.
