## SHIRE STAFF SPOTLIGHT

### Nat Godfrey - Customer Service Officer CRC

Nat recently joined the Shire as a Customer Service Officer based at the CRC. Nat is a well-loved community member and her bubbly personality is the perfect addition to the CRC's friendly team. Nat first moved to Wongan Hills in 1999 after growing up in Safety Bay just south of Perth. During her time in Wongan, Nat has worked at both the Wongan Hills Hotel and the Hardware Store making her an expert in all things customer service.

Nat has become a very involved community member being a St John Ambulance volunteer. Nat can also be often found at a community event and is usually the most popular attraction for the kids, offering her talented creativity skills in the form of facepainting.

Not only creative and community-minded,

Nat is also adventurous and could be found jumping out of a plane to celebrate her 40th birthday.

Nat hopes to see much more of the world, with more travelling on the bucket list with seeing the Northern Lights in Norway at the top.
