BIKE IT TO BALLIDU GRAVEL

The infamous local bike event of the year is back with a diamond sponsor retitling the event to Boekeman Machinery | Case IH Bike it to Ballidu Gravel. We look forward to welcoming locals and visitors back to Ballidu for what will be the 26th year of the event and the second year since the "race" was moved onto gravel.

After the huge success of last year's event, WestCycle and the Bike it to Ballidu Committee have locked in a date and early bird registrations are now open.

SATURDAY 21ST SEPTEMBER

Head to Ballidu for the long weekend with camping available for just \$10 a head, activities all weekend and a night of entertainment on the Saturday for all to enjoy even those that don't fancy partaking in the big race.

Take advantage of Early Bird rates until July 1st and a cheeky discount for locals. Choose from four rides: 12km, 46km, 82km or the big 161km. There will be lots of prizes for riding well, solving puzzles (optional) and of course, fancy dress!!!

COMMUNITY PARK SURVEY

Thank you to all those that responded to our recent survey regarding the community park redevelopment. We had a great response, and the consultants are currently reviewing the results and putting together a concept plan for Council consideration.

Stay tuned for more updates coming soon!
