Did you want to receive your rates via email? Sign up for e-Rates at the same time using the link above. 

2024-2025 WASTE CALENDAR

Avon Waste have released the new 2024-2025 Waste Calendar. Please see page 6 for a copy of the calendar. Alternatively, please visit the Shire Administration Office for a printed copy.

SPRINKLER SWITCH OFF

If we all work together and switch off our sprinklers, we'll save around 5 billion litres of water this winter. For over a decade now, over 90% of Western Australians have shown their support by switching off before 1 June and letting mother nature take care of their gardens, saving water for our drier months. Make sure you have already switched off your sprinklers this winter.

Winter brings cooler temperatures and lower evaporation rates, meaning the plants in our gardens don't need as much water. Most lawns also go dormant over winter, so you can leave your sprinklers off and let the rain take care of your lawn and garden instead.

NATIONALS WA PARTY VISIT

Mia Davies MLA, member for the Central Wheatbelt for the Nationals and Lachlan Hunter visited Wongan Hills on Monday. Lachlan is the endorsed Nationals WA candidate for the Central Wheatbelt area for the upcoming 2025 State Election, it was great to meet him and share some of our concerns regarding matters which impact our community.

Mia and Lachlan met with Councillors and the Shire Executive Team, as well as visiting the Wongan Hills Seniors Recreation Centre to meet with community members to discuss issues we face.

Mia Davies MLA and Lachlan Hunter acknowledged the current struggles for regional towns, for the limited housing supply which causes various issues for our community and many more across regional WA.

Lachlan also mentioned his interest in potentially cycling in the upcoming Bike it to Ballidu Gravel, the community event that has put our Shire on the map across WA. Who knows, we might see Lachlan in fancy dress costume on Saturday 21st September, taking part in the big race...stay tuned!
