FIRING UP OUR NEW COMMUNITY PARK BBQ!

We're excited to share that the new BBQ at the Community Park has now been installed and is ready for everyone to enjoy! This modern, wheelchair-friendly design makes it easier for all members of our community to come together and enjoy a good old-fashioned cook-up in the great outdoors.

The old BBQ has been removed, and in its place is a fresh, accessible facility that's perfect for picnics, family gatherings, and community get-togethers. Whether it's snags on the weekend, a quick lunch in the park, or part of a big event, the new BBQ is here for you to make the most of our beautiful community space.

We do ask that everyone gives the BBQ a quick clean after use so it's ready for the next person to enjoy. Let's work together to keep this fantastic facility in top condition for all.

Who's planning their first BBQ at the park this weekend?

COMMUNITY DEVELOPMENT FUND GRANT NOW CLOSED!

Applications for the 2025–2026 Community Development Fund (CDF) are now closed, and we're thrilled with the fantastic response from our local community groups.

A big thank you to every group and organisation that took the time to apply. Your ideas, projects, and passion for making Wongan-Ballidu a better place are what make this program so valuable.

The next step is for all applications to be carefully reviewed at the August Ordinary Council Meeting. Once decisions have been made, all applicants will be notified of the outcome.

We're proud to deliver funding that supports projects, events, and initiatives which strengthen our community, create opportunities, and enhance the vibrancy of our Shire.
