COMMUNITY CONSULTATION – PROPOSED COPPER MINE

Over the past few weeks, the Shire of Wongan-Ballidu hosted multiple community consultation sessions to provide residents with information on the proposed copper mine.

Across all sessions, a fantastic 223 people attended, highlighting the strong community interest in this project and the importance of open discussion. These sessions gave attendees the chance to learn more, ask questions, and share feedback directly with the Shire.

For those who were unable to attend, printed copies of the presentation delivered by the Shire are now available for collection from the Shire of Wongan-Ballidu and Wongan Hills CRC Customer Service Centre.

The Shire extends its thanks to everyone who took the time to attend and contribute their thoughts. Your involvement is vital in helping to ensure decisions are well-informed and reflective of community priorities.
