WHITE SPIDER ORCHIDS AT DINGO ROCK

Another beautiful sign that wildflower season is well underway in Wongan-Ballidu!

White Spider Orchids are currently flowering at Dingo Rock, making it a great time to head out and see what you can spot amongst the natural scrub.

Located around 25km east of Wongan Hills on Manmanning Road, Dingo Rock is a large granite outcrop and flora and fauna reserve, with a bush walk, picnic area and an ancient Aboriginal Gnamma Hole.

If you're heading out, take your time, look closely and please remember to tread carefully and leave the wildflowers exactly as you find them so others can enjoy them too.

📸 A special thank you to Susan Hulbert for generously sharing these beautiful photographs with us.
