

# COLOCATION UPDATE

## June 2019

### Wongan Hills Sports and Community Co-Location Project

#### SITWORKS

On the 29th April 2019, the Shire of Wongan-Ballidu completed our portion of the siteworks and preparations for the new Wongan-Ballidu Sports and Community Co-location Project.

The Shire was responsible for constructing the sand pad for the proposed tennis courts and bowling green and engaging a contractor to install the potable water, stormwater, telephone and power to the building. The pad is ready for compaction testing.

All utility connections were completed by 12th April 2019, well in time for winter sports season to start. It is of utmost importance to the Shire to

ensure, to the best of our ability, that no sporting or community groups are disrupted or displaced during their peak times.

Tennis, Squash and Fitness Gym will all be colocated in Stage One to the existing Wongan Hills Sports Pavilion, to join Hockey, Netball, Football, Basketball and Cricket. Interior renovations and improvements will be undertaken to communal areas to expand community spaces and places.
