

COLOCATION UPDATE

July 2019

Wongan Hills Sports and Community Co-Location Project

Modified Parking Arrangements:

On Monday 8th July 2019, the Shire's CEO and Works Supervisor met representatives of Wongan-Ballidu Hockey and Drifters Hockey Clubs to discuss modifications to the hockey parking area due to Colocation works. The Shire has striven to keep disruptions to winter sports to a minimum, and are pleased that to date only parking areas have been affected by works.

Over the coming days, site fencing will be installed by the builders, making the areas bordered in red (below) inaccessible. It is of the utmost importance that site security is adhered to, to protect the safety of members of the public as well as staff and contractors.

The placement of the site fencing will mean that the parking area to the south of the hockey field, between the courts and the hockey field, will not be accessible. Parking to the east of the hockey field, behind the town end football goals, (marked in yellow below), will remain accessible as will existing football parking.

We thank the Clubs for engaging with us and assisting the Shire in updating their members on the new arrangement
