

Wongan Hills Sports and Community Co-Location Project

The project is progressing to plan. As agreed with the builders, the plaques on the main hall wall were removed for safe storage prior to demolition work commencing. The freezers and storage units were also removed from the cool rooms. Thanks to Sports Council's Pavillion Manager Sandra Dowsett for her role in arranging this.

The Shire has also offered the Sports Council the use of the Civic Centre for the end-of-year Business Sundowner event. This ensures the Sports Council, together with the CWA are still able to host this significant fundraising event.

The sand pad for the new meeting room has been prepared, and the builder has now commenced demolition of ablution facilities in the main building.

At an on-site meeting on 9 October, Alan Hart, Karl Mickle, Stephen Casey and Bruce Mitchell of the Shire, together with Matt Sewell of the Co-location Steering Committee, Susannah Sellars of WB Hockey and Alan Bear of Drifters Hockey met to mark out the repositioned hockey field. The group also determined the residual area of the existing oval to be reclaimed.

This Project would not be possible without the support of the following:

- The Community and Volunteers of the Shire of Wongan-Ballidu and surrounding areas, including those volunteers, community members, local businesses and representatives of all sporting and community groups within the area that carted an estimated 10,000 cubic metres of sand.
- The support and collaboration of all sporting and community groups within our Shire.
- The Colocation Steering Committee: Don Sadler, Jeff Brennan, Megan Pawsey, Matt Sewell and Stuart Taylor.

This Project is made possible through the financial support of:
