Shire of Wongan-Ballidu Variance Report for February 2014

The Local Government (Financial Management) Regulations 1996 require that financial statements are presented on a monthly basis to council. Council has adopted 10% as its threshold for line items on the nature and type report shown on page 1. This report uses a traffic light system to flag those items that are within tolerance and others that fall out of the range. Variances are calculated using a comparison of year to date actual against year to date budget. It needs also to be noted that the early months of the financial year are a period when variance percentages are volatile and extremely sensitive to small movements in actual income and expense.

Code Report Section		Comments						
	Operating Income							
0	Non Operating Grants, Subsidies & Contributions	CLGF Funding was included in the original budget and since adoption has been withdrawn and is no longer available.						
0	Interest	Timing issue with original budget. There are currently seven term deposits with three maturing in March.						
		Operating Expenditure						
0	Employee Costs	Staff training has been exceptionally lower than budgeted. There has also been a reduction in salaries and wages due to there being vacancies within the organisation.						
0	Other - General	Conference, discounts, bad debts and donations all down in first quarter.						
		Capital						
0	Land & Building	With the exception of the CRC building, no building, capital expenditure has commenced in July, August or September.						
0	Furniture & Equipment	Expenditure varies due to timing issues in the original budget.						
0								
0	Infrastructure - Other	With the exception of the CRC, capital expenditure has been delayed.						
0	Infrastructure - Road & Other	Expenditure varies due to timing issues in the original budget.

9.1.3 COMPLIANCE AUDIT RETURN 2013

FILE REFERENCE: F1.7.1

REPORT DATE: 4 February 2013

APPLICANT/PROPONENT: N/A
OFFICER DISCLOSURE OF INTEREST: Nil
PREVIOUS MEETING REFERENCES: Nil

AUTHOR: Stuart Taylor – Chief Executive Officer

ATTACHMENTS: Compliance Return

PURPOSE OF REPORT:

To consider and adopt the 2013 Compliance Audit return.

BACKGROUND:

Council is required to carry out a compliance audit for the period 1 January 2013 to 31 December 2013 against the requirements included in the 2013 Compliance Audit Return.

The Compliance Audit Return is to be,

- a. Presented to Council at a meeting of the Council,
- b. Adopted by the Council, and
- c. The adoption recorded in the minutes of the meeting at which it is adopted.

The adopted Compliance Audit Return is to be submitted to the Director General, Department of Local Government and Regional Development by 31 March 2014.

COMMENT:

Areas of compliance covered by the 2013 CAR have been restricted to those considered high risk, resulting in a CAR that contains substantially fewer questions..

Amendments to regulation 13 of the *Local Government (Audit) Regulations 1996*, to be gazetted on 30 December 2011, allowed these changes to occur.

A further change to regulation 14 requires that the local government's Audit Committee now reviews the CAR and reports the results of that review to the Council prior to adoption by Council and the March submission to the Department.

POLICY REQUIREMENTS:

There are no known legislative requirements related to this item.

LEGISLATIVE REQUIREMENTS:

Local Government Act 1995 Section 7.13(i) Local Government (Audit) Regulations Regulation 13. 14 and 15

9.1.4 CHANGE IN CAPITALISATION THRESHOLD

FILE REFERENCE: A2.20.4

REPORT DATE: 13th February 2014

APPLICANT/PROPONENT: David Taylor - Deputy Chief Executive Officer

OFFICER DISCLOSURE OF INTEREST NII PREVIOUS MEETING REFERENCES: NII

AUTHOR: David Taylor - Deputy Chief Executive Officer

ATTACHMENTS: Nil

PURPOSE OF REPORT:

For the Council to consider the amendment of the current policy 5.5 Accounting Policy Sub-Clause (i) for the capitalisation of non-current assets.

BACKGROUND:

As of 30th June 2013, all local governments are required to commence the process of recognising all of its assets at fair value in accordance with Regulation 17A of the Local Government (Financial Management) Regulations 1996. The following table indicates the timeframe in which particular asset classes are required to undergo an assessment of fair value.

Classification	Initial Revaluation	Subsequent Revaluation
Plant & Equipment	30 June 2013	30 June 2016
Land and buildings	30 June 2014	30 June 2017
Infrastructure assets and all other	30 June 2015	30 June 2018
classes of assets		

The policy review for capitalisation of assets is aimed at applying the most reasonable level of acquisitions to reduce the impost in revaluing all assets every three years, whilst still ensuring that all major assets are still appropriately accounted for.

COMMENT:

Council is currently undergoing a review of the current asset register to ensure that the Shire can revalue all of its assets in accordance with Regulation 17A. As part of the asset review and in a measure to improve efficiency within Council operations, it is proposed that the current adopted capitalisation thresholds per asset class are reconsidered.

Asset capitalisation thresholds are a dollar amount below which expenditure is treated as recurrent expenditure even if it is associated with an activity that is typically capital in nature.

The current threshold for the capitalisation of assets is between \$500 and \$1,000, which is considered far too low given the new requirements to revalue assets on a regular basis. Increasing the capitalisation threshold can avoid unnecessary details in the asset register and allow expenditure for immaterial purchases to be expensed to the Statement of comprehensive Income. The following table illustrates the current capitalisation threshold for each asset classification and the corresponding proposed thresholds.

Asset Class	Current Threshold	Proposed Threshold
Buildings	\$1,000	\$5,000
Infrastructure	\$1,000	\$5,000
Infrastructure – Road Seals	\$1,000	\$5,000
Furniture and Equipment	\$ 500	\$5,000
Computer Equipment	\$1,000	\$5,000

Light Vehicles	\$1,000	All
Heavy Plant	\$1,000	All
Other Plant & Equipment	\$1,000	\$5,000

The Shire's fixed asset register should only record significant fixed assets that are to be depreciated and revalued in accordance with Accounting Standards and Local Government Financial Management Regulations. As a result there will be many 'portable and desirable items' that will be under the capitalisation threshold and hence not included on the Asset Register. This poses a risk that these items may not be managed and/or accountable and therefore be unmaintained or go missing. As a result a register of portable equipment and desirable items should and will be maintained and monitored separate to the Asset Register.

POLICY REQUIREMENTS:

Review and amendment of the current policy 5.5 Accounting Policy Sub-Clause (i) for the capitalisation of non-current assets

LEGISLATIVE REQUIREMENTS:

Local Government (Financial Management) Regulations 1996 Australian Accounting Standards

STRATEGIC IMPLICATIONS:

This amendment to the policy is in accordance with the Shire's Integrated Planning requirements.

SUSTAINABILITY IMPLICATIONS:

Ø Environment

There are no known environmental implications associated with this item.

Ø Economic

There are no known economic implications associated with this proposal.

Ø Social

There are no known social implications associated with this item.

FINANCIAL IMPLICATIONS:

There will be significant savings in future revaluation cost by reducing the number of assets included in the asset register.

The removal of assets from the asset register will result in a current year write-off. These write-offs will be recorded as a loss on disposal of assets in the statement of comprehensive income. Whilst these assets are being written-off (removed) from the statement of financial position and being removed from the asset register; they will not be physically removed from the Shire's control or use.

This loss of disposal will be in addition to the budgeted loss on disposal of assets already accounted for in the current budget.

A separate line item in the statement of comprehensive income will be shown to reflect the impact of the adjustment in the annual financial report.

VOTING REQUIREMENTS:

SIMPLE MAJORITY REQUIRED:

STAFF RECOMMENDATION:

That Council

1. Endorse the amendments to Policy 5.5 Accounting Policy Sub-Clause (i) in relation to changes to capitalisation of asset values as included below;

a.	Buildings	\$5,000
b.	Infrastructure	\$5,000
