HARVEST AND VEHICLE MOVEMENT BANS

Harvest and Vehicle Movement Bans are issued by the Shire of Wongan-Ballidu and are put in place when our local Bushfire Control Officer identifies the use of engines, vehicles, plant or machinery as high bushfire risk activities, during particular times of the day.

A Harvest and Vehicle Movement Ban may be imposed for any length of time but is generally imposed for the 'heat of the day' periods and may be extended or revoked by the local government should weather conditions change.

CALL 9671 2501...

to find out if there is currently a ban on in our Shire. If you would like to receive SMS notifications advising of details of harvest bans and bushfire communications, please register via the below link or scan the QR code:

TOTAL FIRE BAN

A Total Fire Ban (TFB) is declared by DFES on days when fires are most likely to threaten lives and property. This is because of predicted extreme fire weather or when there are already widespread fires and firefighting resources are stretched.

Some of the activities that are illegal to do during a Total Fire Ban, include:

- Lighting a fire in the open air.
- Using any appliance that consumes solid fuel eg. fire pits.
- Welding, grinding and cutting of metal in the open air.
- Using an internal combustion engine powered equipment in or near bush.
- Using motor bikes, quad bikes or other motorised vehicles in bush or paddocks, unless it is for the feeding or watering of stock.

BUSHFIRE NEWS

COMMUNICATION

Prior to last bushfire season a WhatsApp group was set up for BFB volunteers and key personnel who would need to be across comms in the event of a fire emergency. This group is for Shire wide communications in the event of an emergency/fire for support, back up and communication. If you are a BFB volunteer and you are not in this group, please contact your Brigade Captain. Please use UHF Channel 5 on active fireground. Please do not reply to general comms sent out in this group in a non-emergency scenario. Anyone entering a fire ground must have basic firefighter training and be wearing PPE.

OTHER COMMUNICATION

The Shire will keep residents aware of relevant community wide emergency notifications through the use of the SMS service, Facebook, our website and the Shire newsletter which is available on our website and in the Boomer.

BUSHFIRE SYMBOLS

BUSHFIRE AND WEATHER INFORMATION

Please visit: www.emergency.wa.gov.au to stay informed during a bushfire.

ARE YOU BUSHFIRE READY?

Bushfire Ready is a community-led program that encourages local residents to learn about planning and preparing for bushfires by working together. More information on how to prepare can be found at www.dfes.wa.gov.au/hazard-information/bushfire/prepare#bushfire-ready Please ensure all available water storage on premises are full and firefighting equipment is serviced and in working order.

AFTER A FIRE: THE FIRE GROUND MUST BE MONITORED AFTER BEING HANDED BACK TO LANDHOLDERS TO ENSURE FIRE DOES NOT RELIGHT.

NEW LAKE NINAN/HINDS BUSHFIRE TRUCK

During the 2022/2023 Bushfire Season the Lake Ninan/Hinds Bushfire Brigade were provided a new bushfire truck by DFES. This is an amazing asset to assist with bushfires in our area. Well done to the volunteers who have been instrumental in securing this asset, which has taken many years of persistent work with DFES to secure the purchase of the truck.

THANK YOU

Thank you to our volunteers who attend and fight bushfires within our region each year ensuring our community stays safe. Have you ever considered signing up to be a bushfire brigade volunteer? Reach out to your local brigades Captain to find out more (contact details on back page).

Land owners and/or occupiers are required to ensure your property meets fire break compliance standards. The Shire of Wongan-Ballidu will be patrolling locales within the Shire to ensure all properties meet the requirements as per the following notice:

Fire Break Notice

Pursuant to section 33(1) of the Bush Fires Act 1954, the Shire of Wongan-Ballidu gives notice that the owners and/or occupiers of land within the district are required to undertake the following works on land owned or occupied by them.

The requirements of this notice are to be in place for the period commencing on the 13th day of October 2023 until the 31st day of March 2024 (inclusive).

The land owner (or occupier) must complete on, or before the 13th day of October 2023, ploughing, scarifying, cultivating, spraying or otherwise clear and thereafter maintain free of all inflammable material until the 31st day of March 2024 firebreaks in the following dimensions on the land owned or occupied by you.

1. Wongan Hills and Ballidu Townsites

1.1 An owner of land zone Residential Rural Townsite and Commercial is required to reduce all annual grass and herbage to a height of not more than 75mm.
