Waste Management Facility

Shire of Wongan-Ballidu's Waste Management Facility is located at **Lot 4107 Hospital Road**. Wongan Hills residential ratepayers are issued with four waste facility passes which are included with their annual rates notice. Two of these passes are for bulk green waste, and two are for bulk household waste. For any other users, fees apply.

Operating Times and Costs

Wongan Hills Waste Management Facility is open from **8.30am to 4.30pm Thursday through Sunday**.

drumMUSTER services are available on **Fridays from 9.00am to 4.00pm**.

Waste Disposal Fees and Charges

Drop & Go Containers for Change

Located at the recycling bay at the corner of Wongan Road and Patterson Street. Normal cardboard and other recycling materials can also be disposed of at this recycling bay for free.

Drop off your cans and containers and have your refund processed directly into your bank account! Every 10c container returned to a refund point gets another chance to live its potential, again and again.

The green Drop-n-go can bags can be collected from The Shire of Wongan-Ballidu and Wongan Hills CRC Customer Service Centre. There is a maximum of 3 bags allowed per person at any one time.

More about Containers for Change

Bulk Waste Trailer Hire

The hire of the trailer will be **free of charge to eligible residents** and will be dropped off at your property and collected at the end of hire. Residents may fill the trailer with bulk waste or items for collection by our staff who will dispose of the goods on your behalf. The trailer can also be used for green waste disposal if only green waste is being disposed of at that time, and no other waste is placed in the trailer.

The trailer is available for hire for a **maximum of three days at a time**. Households can utilise the hire service **twice per year**.

The trailer is not to be taken away from your property. The Shire staff will dispose of your waste for you. A trailer lock will be attached for security and insurance purposes.

New Bins and Services

Each new service receives a 240Lt Refuse and Recycling Bin. These bins remain the property of Avon Waste. If the Refuse/Recycling Bin is lost, stolen or wilfully damaged, it is the resident's responsibility to pay for a replacement Refuse/Recycling Bin. To arrange a new or additional service to your property please contact the Shire.

Bin Repairs and Parts

Occasionally over the life time of your bin, parts may be required to be replaced. For example, bin lids, lid pins, wheels and axles. These items will be replaced where possible if the damage is incurred as part of normal wear and tear of the bin. To report any repairs, please contact the Shire
